**RE: Modification to the Hot-Rolled Coil Steel Market Maker Program
COMEX Submission No. 20-151**

Dear Mr. Kirkpatrick:

Commodity Exchange, Inc. ("COMEX" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the Hot-Rolled Coil Steel Market Maker Program ("Program").

Please note that the only modification to the Program is an administrative amendment to change the designated contract market from New York Mercantile Exchange, Inc. ("NYMEX") to COMEX due to the Program's products being migrated to COMEX effective March 30, 2020 (see COMEX Submission No. 20-072 and NYMEX/COMEX Submission No. 20-073). The modification to the Program will become effective on March 30, 2020. All other terms remain unchanged.

Exhibit 1 sets forth the terms of this Program.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, COMEX staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA and COMEX market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, COMEX has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The products included in this Program are listed for trading in the open and competitive market. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the COMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with COMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and COMEX rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

The Exchange certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail CMESubmissionInquiry@cmegroup.com or contact Rachel Johnson at 312-466-4393 or via e-mail at Rachel.Johnson@cmegroup.com. Please reference our COMEX Submission No. 20-151 in any related correspondence.
