**RE: Modification to the Agency Cross Fee Schedule
NYMEX Submission No. 14-389 (1 of 2)**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX”) and Commodity Exchange, Inc. (“COMEX”) (collectively, “Exchanges”) hereby notify the Commodity Futures Trading Commission (“CFTC” or “Commission”) of modifications to the fee schedule that supports the CME Direct Agency Cross transaction type. The modifications to the fee schedule will become effective on October 6, 2014.

Exhibit 1 sets forth the revised fee schedule that will be applicable to the CME Direct Agency Cross transaction type (attached under separate cover), with additions underlined and deletions ~~overstruck~~.

The Exchanges reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA”). During the review, Exchange staff identified the following Core Principles as potentially being impacted:

Availability of General Information: As required by this Core Principle, the Exchanges will publish the new Agency Cross fee schedule on the CME Group website to ensure that market participants have been advised of the fees for these contracts. The Exchanges are unaware of any opposing views to this proposal.

Daily Publication of Trading Information: Trading volume, open interest, and settlement price information for all listed contracts will continue to be published daily on the CME Group website.

Protection of Market Participants: The fees are publicly disclosed and generally applicable to all market participants and clearing members.

Recordkeeping: Trade information for all contracts will continue to be collected and maintained in the same way as for other contracts.

Financial Resources: The modifications to the fee schedule will not impact CME’s ability to discharge its financial, operational, or managerial responsibilities as a DCM.

The Exchanges certify that the modifications to the fee schedule comply with the CEA and the regulations thereunder. There were no substantive opposing views to this proposal.

The Exchanges certify that this submission has been concurrently posted on the Exchanges’ website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
