Re: New NYSE™ FANG+ Index Futures Contract New Jurisdiction Volume Incentive Program -Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6

Dear Mr. Kirkpatrick:

Pursuant to Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) submits, by written certification, notice that the Exchange is launching the new NYSE FANG+ Index Futures Contract New Jurisdiction Volume Incentive Program (“Program”) on November 8, 2017. The Exchange believes that the Program, which will commence with the listing of NYSE FANG+ Index Futures, will help build interest and liquidity in the new contract. The terms and conditions of the Program are set forth in Exhibit A.

The Exchange certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the new program, which will become effective on November 8, 2017, complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a notice of pending certification was posted on the Exchange’s website. A redacted copy of this submission (consistent with the petition for Confidential Treatment filed contemporaneously with the Commission) may be accessed at (<https://www.theice.com/futures-us/regulation#rule-filings>). No substantive opposing views were expressed by members or others with respect to the new Program, which will become effective on November 8, 2017.
