**RE: CFTC Regulation 40.6(a) Certification. Notification Regarding Amendments to CME/CBOT/NYMEX/COMEX Rule 853 (“Transfers of Trades and Customer Accounts”).
CBOT Submission No. 15-473 (2 of 4)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME”), The Board of Trade of the City of Chicago, Inc. (“CBOT”), New York Mercantile Exchange, Inc. (“NYMEX”), and Commodity Exchange, Inc. (“COMEX”) (collectively, the “Exchanges”) hereby notify the Commodity Futures Trading Commission (“CFTC” or “Commission”) that they are self-certifying amendments to CME/CBOT/NYMEX/COMEX Rule 853 (“Transfers of Trades and Customer Accounts”). These amendments shall be effective on Friday, November 20, 2015.

Rule 853.A.5 currently permits transfers of futures at the original trade price or the most recent settlement price, and the transfer of options at the original trade price or a trade price of zero. With the October 12, 2015, launch of the NYMEX Brent Crude Oil Futures-Style Margin Option contract (see NYMEX Submission No. 15-373R dated September 25, 2015), the Exchanges reviewed the the prices at which options may be transferred under Rule 853.A.5. and determined that futures-style options should be permitted to transfer at the original trade price or the most recent settlement price. Additionally, the Exchanges will begin to permit premium-style options to transfer at the most recent settlement price, in addition to the currently permissible original trade price or a trade price of zero. In an effort to harmonize Chapter 8 across all of the rulebooks, the Exchanges are amending Rule 853 for all four (4) designated contract markets.

The Exchanges reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the amendments to Rule 853 may have some bearing on the following Core Principles:

Compliance with Rules: The amendments codify the prices at which certain types of options on futures products may be transferred. As such, the revision remains in compliance with this Core Principle.

Availability of General Information: As required by this Core Principle, the Exchanges are publicly issuing a Special Executive Report to ensure that market participants have updated guidance and information attendant to the amendments. The Special Executive Report will also be available on the CME Group website.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchanges hereby certify that the amendments to Rule 853 comply with the Act and regulations thereunder. There were no substantive opposing views to this proposal.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact the undersigned at 212-299-2200.

Sincerely,

/s/Christopher Bowen
Managing Director and Chief Regulatory Counsel
