**Re: Amendments to Henry Hub Commercial Development Program -  
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6(a)**

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“Exchange”) submits, by written certification, notice that the Exchange is extending the Henry Hub Commercial Development Program (the “Program”) which was launched in January of 2018. The Exchange believes that the program has helped liquidity and volume in the covered contracts and is extending the Program through December 31, 2020. All other terms of the Program remain unchanged and are set forth in Exhibit A.

The Exchange certifies that the new Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program is structured to not create incentives for participants to engage in market abuses such as manipulative trading or wash sales. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses. The Program does not impact order execution priority or otherwise give participants any execution preference or advantage.

The Exchange further certifies that, concurrent with this filing, a redacted copy of this submission (consistent with the petition for Confidential Treatment filed contemporaneously with the Commission) was posted on the Exchange’s website at (<https://www.theice.com/futures-us/regulation#rule-filings>). No substantive opposing views were expressed by members or others with respect to the new Program which will become effective on November 21, 2019.
