**Re: Amendments to the Henry Futures Participant Development Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits by written certification, notice that the Exchange extending the term of the Henry Futures Participant Development Program (“Program”) through December 31, 2020. The Program, which was launched in October 2018, was scheduled to expire on December 31, 2019. However, we believe the Program has helped promote additional volume and liquidity in the Exchange’s Henry Hub futures and options markets, and are extending the term through the end of the year. All other terms and conditions of the Program, which are set forth in Exhibit A, remain unchanged.

The Exchange certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the Program and further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website at (<https://www.theice.com/futures-us/regulation#rule-filings>). The amendment will become effective on November 21, 2019
