Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6(a), ICE Futures U.S., Inc. ("Exchange") submits, by written certification, notice that the Exchange is extending the term of the NYBOT Legacy Member Volume Incentive Program (the "Program") as set forth in Exhibit A. The Program was launched in conjunction with the termination of the NYBOT Member category on January 1, 2016. Eligible former NYBOT Members who are enrolled, receive both reduced fees and the right to earn volume- based rebates for proprietary trading in certain NYBOT legacy contracts The Program, which was set to expire on December 31, 2019, is being extended through December 31, 2020.

The Exchange certifies that the amendments to the Program comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the amendments comply with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program is structured to not create incentives for participants to engage in market abuses such as manipulative trading or wash sales. In addition, the Exchange's Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses. The Program does not impact order execution priority or otherwise give participants any execution preference or advantage.

The Exchange further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website at (<u>https://www.theice.com/futures-us/regulation#rule-filings</u>). No substantive opposing views were expressed by members or others with respect to the amendment, which will become effective on November 21, 2019.
