#### RE: Modifications to the CBOT Market Maker Program for Long-Term U.S. Treasury Bond Futures CBOT Submission No. 15-493

Dear Mr. Kirkpatrick:

The Board of Trade of the City of Chicago, Inc. ("CBOT" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of modifications to an existing market making program in support of certain Long-Term U.S. Treasury Bond futures contracts that are traded on Globex® ("Program"). The modifications to the Program will become effective on January 1, 2016.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions <u>underscored</u> and deletions <del>overstruck</del>.

CBOT reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CBOT staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program and proposed modifications will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA and the Exchange's market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' obligations to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange's order execution. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the CBOT rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchange in which each participant will expressly agree to comply with and be subject to, applicable regulations and CBOT rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

CBOT certifies that the Program and the modifications to the Program comply with CEA and the regulations thereunder. There were no substantive opposing views to this Program or the proposed modifications.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <u>http://www.cmegroup.com/market-regulation/rule-filings.html</u>.

If you require any additional information regarding this submission, please e-mail <u>CMEGSubmissionInquiry@cmegroup.com</u> or contact Rachel Johnson at 312-466-4393 or via e-mail at <u>Rachel.Johnson@cmegroup.com</u>. Please reference our CBOT Submission No. 15-493 in any related correspondence.

### Eligible Participants

The Program is available to members. Up to seven (7) participants shall be admitted to the Program. New participants are required to submit a Bid Sheet to the Exchange which is used to determine eligibility. Notwithstanding the foregoing, the Exchange may, from time to time, add to or subtract from the factors listed above as it deems necessary.

#### Program Term

#### Monitoring and Termination of Status

If the Exchange determines that a participant has not met its quoting obligations during the participant's first month of quoting, but is within twenty percent (20%) of its contracted quoting metric, the participant will be eligible to receive the incentives for that applicable month.

Excluding a participant's first month of quoting, if a participant does not meet its quoting obligations during one (1) calendar month, but is within ten percent (10%) of its contracted quoting metric, the participant will be eligible to receive the incentives for that applicable month. Participants must meet quoting obligations for all subsequent months in order to continue to receive the program incentives.

The Exchange shall retain the right to revoke Program participant status if it concludes from review that a Program participant no longer meets the eligibility requirements or fails to meet the obligations of the Program.
