**Re: Amendments to Softs Futures Market Maker Program -
 Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6(a)**

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“Exchange”) submits, by written certification, notice that the Exchange is extending the term of the Softs Futures Market Maker Program (the “Program”) as set forth in Exhibit A. The Program was initially launched on January 1, 2018 and was set to expire on December 31, 2018. The Exchange believes that the Program will continue to promote liquidity in the covered products and is now extending the Program through December 31, 2019. All other terms remain unchanged.

The Exchange certifies that the Program continues to comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program is structured to not create incentives for participants to engage in market abuses such as manipulative trading or wash sales. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses. The Program does not impact order execution priority or otherwise give participants any execution preference or advantage.

The Exchange further certifies that, concurrent with this filing, a redacted copy of this submission (consistent with the petition for Confidential Treatment filed contemporaneously with the Commission) was posted on the Exchange’s website at (<https://www.theice.com/futures-us/regulation#rule-filings>). No substantive opposing views were expressed by members or others with respect to the amendment, which will become effective on December 6, 2018.
