**RE: Modifications to the Latin America Commodity Commercial Incentive Program  
CBOT Submission No. 14-497 (2 of 4)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME"), The Board of Trade of the City of Chicago, Inc. ("CBOT"), New York Mercantile Exchange, Inc. ("NYMEX"), and Commodity Exchange, Inc. ("COMEX") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the Latin America Commodity Commercial Incentive Program ("LACIP" or "Program"). The modifications to the Program will become effective on January 1, 2015.

Exhibit 1 sets forth the terms of the Program. Modifications to the Program appear below with additions underscoring and deletions ~~overstruck~~.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, the Exchanges' staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program's incentive structure does not incentivize manipulative trading or market abuse and does not impact the Exchanges' ability to perform its trade practice and market surveillance obligations under the CEA. The Exchanges' market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. The incentives in the Program do not impact the Exchanges' order execution. Participants in the Program will be selected by the Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchanges' rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The Program is subject to these rules. The Program will be subject to the Exchanges' record retention policies which comply with the CEA.

The Exchanges certify that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program or the proposed modifications.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
