**RE: Extension of the Globex Core Metals Volume Incentive Program
NYMEX Submission No. 17-459 (1 of 2)**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX") and Commodity Exchange, Inc. ("COMEX") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to extend the Globex Core Metals Volume Incentive Program ("Program") through January 31, 2018. The extension to the Program will become effective on January 1, 2018. All other Program terms remain unchanged.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, Exchanges' staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program does not impact the Exchanges' ability to perform their trade practice and market surveillance obligations under the CEA and the Exchanges have implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchanges' order execution. Participants in the Program will be selected by Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX/COMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchanges in which each participant will expressly agree to comply with and be subject to, applicable regulations and the NYMEX/COMEX rules. The Program is subject to the Exchanges' record retention policies which comply with the CEA.

NYMEX and COMEX certify that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
