**RE: Modifications to the CME Housing Futures Market Maker Program  
CME Submission No. 15-522**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME” or “Exchange”) hereby notifies the Commodity Futures Trading Commission (“CFTC” or “Commission”) of modifications to the existing Housing Futures Market Maker Program (“Program”). The proposed modifications to the Program will become effective on January 1, 2016.

Exhibit 1 sets forth the terms of the Program. Modifications appear below, with additions underscored and deletions ~~overstruck~~.

CME reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”). During the review, Exchange staff identified the following Core Principles as potentially being impacted: Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program and proposed modifications will not impact the Exchange’s ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange’s market regulation staff will monitor all trading in the Program’s products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants’ obligations under the Program to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange’s order execution. Participants in the Program will be selected by Exchange staff using criteria as set forth in Exhibit 1. Chapter 4 of the CME rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All Program participants must execute a contractual agreement with the Exchange in which they expressly agree to comply with and be subject to, applicable regulations and Exchange rules. The Program is subject to the Exchange’s record retention policies which comply with the CEA.

CME certifies that the Program and the modifications to the Program comply with the CEA and the regulations thereunder. There were no substantive opposing views to this Program or the proposed modifications.

The Exchange certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
