RE: Modifications to the NYMEX Power Volume Incentive Program NYMEX Submission No. 18-498

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the NYMEX Power Volume Incentive Program ("Program"). The modifications to the Program will become effective on February 1, 2019.

Exhibit 1 sets forth the terms of the Program. Modifications appear below, with additions <u>underlined</u> and deletions <del>overstruck</del>.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, NYMEX staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The products included in this Program are listed for trading in the open and competitive market. Participants in the Program will be selected by NYMEX staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with NYMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

NYMEX certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <a href="http://www.cmegroup.com/market-regulation/rule-filings.html">http://www.cmegroup.com/market-regulation/rule-filings.html</a>.

# **EXHIBIT 1**

# **NYMEX Power Volume Incentive Program**

# **Program Purpose**

The purpose of the Program is to incentivize market participants to provide liquidity in NYMEX Power products on Globex or submitted for clearing through CME ClearPort. The resulting increase in liquidity benefits all participant segments in the market.

# **Product Scope**

All NYMEX North American Power futures and options, Natural Gas (Henry Hub) Last-day Financial futures ("HH"), and Henry Hub Natural Gas Last Day Financial futures ("NN") that are traded on Globex or submitted for clearing through CME ClearPort ("Products").

# **Eligible Participants**

There is no limit to the number of participants that may participate in the Program. Participants may be NYMEX members or non-members. NYMEX, in its sole discretion, will use a variety of factors in determining whether a prospective participant is selected to participate in the Program, including the prospective participant's overall historical volume in the Products and similar products, and the prospective participant's ability to maintain volume thresholds. NYMEX may, from time to time, add or subtract from the aforementioned requirements as it deems necessary.

## **Program Term**

Start date is July 1, 2015. End date is January 31, 2019 January 31, 2020.

## **Obligations**

Participants must meet certain volume thresholds, as determined by the Exchange, in order to receive the Program incentives.

#### **Incentives**

Upon meeting all obligations, as determined by the Exchange, Program participants may be eligible for predetermined incentives.

## **Monitoring and Termination of Status**

The Exchange shall monitor trading activity and participants' performance and shall retain the right to revoke Program participant status if it concludes from review that a Program participant has failed to meet its obligations or no longer meets the eligibility requirements of the Program.
