#### RE: Modifications to Agricultural Options Market Maker Program CME Submission No. 15-561 (1 of 2)

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME") and The Board of Trade of the City of Chicago, Inc. ("CBOT") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the Agricultural Options Market Maker Program ("Program"). The modifications to the Program will become effective on January 1, 2016.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions <u>underlined</u> and deletions <del>overstruck</del>.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, the Exchanges' staff identified the following Core Principles as potentially being impacted: Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program does not impact the Exchanges' ability to perform their trade practice and market surveillance obligations under the CEA and the Exchanges' market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' obligations under the Program to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange's order execution. Participants in the Program will be selected by Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchanges' rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchanges in which each participant will expressly agree to comply with and be subject to, applicable regulations and rules. The Program is subject to the Exchanges' record retention policies which comply with the CEA.

The Exchanges certify that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program or the proposed modifications.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <u>http://www.cmegroup.com/market-regulation/rule-filings.html</u>.

If you require any additional information regarding this submission, please e-mail <u>CMEGSubmissionInquiry@cmegroup.com</u> or contact Rachel Johnson at 312-466-4393 or via e-mail at <u>Rachel.Johnson@cmegroup.com</u>. Please reference our CME Submission No. 15-561 (1 of 2) in any related correspondence.

Sincerely,

/s/ Christopher Bowen Managing Director and Chief Regulatory Counsel
