**RE: Modifications to the Core Metals Products Single-Tiered Fee Rebate for High Volume Liquidity Providers
NYMEX Submission No. 15-520 (1 of 2)**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX") and Commodity Exchange, Inc. ("COMEX") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the Core Metals Products Single-Tiered Fee Rebate for High Volume Liquidity Providers ("Program"). The modifications to the Program will become effective on January 1, 2016.

Exhibit 1 sets forth the terms of this Program. The modifications appear below, with additions underscored and deletions ~~overstruck~~

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, Exchanges' staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program does not impact the Exchanges' ability to perform their trade practice and market surveillance obligations under the CEA and the Exchanges have implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The tiered incentives in the Program do not impact the Exchanges' order execution. Participants in the Program will be selected by Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchanges in which each participant will expressly agree to comply with and be subject to, applicable regulations and the NYMEX/COMEX rules. The Program is subject to the Exchanges record retention policies which comply with the CEA.

NYMEX and COMEX certify that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact Rachel Johnson at 312-466-4393 or via e-mail at Rachel.Johnson@cmegroup.com. Please reference our NYMEX Submission No. 15-520 (1 or 2) in any related correspondence.

/s/ Christopher Bowen

Progressive Tiered Volume Incentives

Once accepted into the Program, participants will be eligible to participate in tiered volume incentives whereby participants may be charged a reduced fee rate for the Products that a participant trades on the CME Globex® Platform. The progressive tiered volume levels are predetermined by NYMEX and COMEX and are based on a participant's combined daily volume of contracts in the above-referenced products on the CME Globex® Platform measured during an applicable calendar month.

Monitoring and Termination of Status

The Exchanges shall monitor trading activity and participants' performance and shall retain the right to revoke Program participant status if it concludes from review that a Program participant no longer meets the eligibility requirements of the Program.
