In addition, the Exchange is amending Rule 4.1 to use the defined term Trading Hours.

Core Principle 4 - Prevention of Market Disruption: All activity performed on Nodal is subject to the Nodal Exchange Rulebook Section VI, which prohibits disruptive trading behavior and

manipulation, subject to monitoring and surveillance by the Exchange's Division of Market Surveillance.

Core Principle 7 – Availability of General Information: The amendments to the Rules provide clarity to Exchange Participants. The amended Rules are available to market authorities, Participants, Authorized Brokers and the public on the Exchange website.

Core Principle 12 - Protection of Markets and Market Participants: Section VI of the Nodal Exchange Rulebook protects the market and market participants from abusive, disruptive, fraudulent, noncompetitive and unfair conduct and trade practices.

Core Principle 13 - Disciplinary Procedures: Section VII of the Nodal Exchange Rulebook describes the disciplinary procedures of the Exchange that authorize the Exchange to discipline, suspend, or expel anyone on the Exchange that violates these rules.

Pursuant to Section 5c(c) of the Act and the Commission's Regulation 40.6, the Exchange certifies that amended Rules comply with the Act and the Commission's Regulations thereunder. There have not been any opposing views expressed regarding the amendments to the Rules.
