Washington, DC 20581

Re: Extension of the Bakkt™ Bitcoin (USD) Monthly Futures Contract Market Maker Program - Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby self-certifies an amendment extending the Bakkt Bitcoin (USD) Monthly Futures Contract Market Maker Program (“Program”) through March 31, 2022, as set forth in Exhibit A. The Exchange believes that the Program has helped attract liquidity and volume to the Bakkt Bitcoin (USD) Monthly Futures Contract and is extending the term, which was set to expire on December 31, 2021, for an addition three months.

The Exchange certifies that the Program continues to comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the Program, which will become effective on January 1, 2022, and further certifies that, concurrent with this filing, a

redacted copy of this submission was posted on the Exchange's website at <https://www.theice.com/futures-us/regulation>).

If you have any questions or need further information, please contact me at 212-748-4021 or at jason.fusco@theice.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason V. Fusco". The signature is written in a cursive style with a large, sweeping initial "J".
