**Re: Extension of PJM Liquidity Provider Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits, by written certification, notice that the Exchange is extending the PJM Liquidity Provider Program (“Program”), as set forth in Exhibit A. The Program, which was initially launched in August 2016 and set to expire on December 31, 2020, is being extended through December 31, 2022. As explained in Exhibit A, the Exchange believes that the Program has helped attract volume and liquidity in the covered contracts. All other Program terms, remain unchanged.

The Exchange certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a redacted copy of this submission (consistent with the petition for Confidential Treatment filed contemporaneously

with the Commission) was posted on the Exchange's website at (<https://www.theice.com/futures-us/regulation#rule-filings>). The amendment to the Program will become effective on January 1, 2020.
