**Re: Amendments to the MSCI Index Contracts Designated Market Maker Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) submits, by written certification, the amendments to the MSCI Designated Market Maker Program (“Program”) set forth in Exhibit A. The amendments will become effective on January 1, 2022.

The Exchange certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the amendments comply with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a notice of pending certification was posted on the Exchange’s website. A copy of this submission may be accessed at (<https://www.theice.com/futures-us/regulation#rule-filings>). The Exchange is not aware of any opposing views with respect to the Program.
