**RE: Modifications to the Retail Broker Incentive Program
CME Submission No. 20-504 (1 of 4)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME"), The Board of Trade of the City of Chicago, Inc. ("CBOT"), New York Mercantile Exchange, Inc. ("NYMEX"), and Commodity Exchange, Inc. ("COMEX") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the Retail Broker Incentive Program ("Program"). The modifications to the Program will become effective on January 1, 2021.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underscored and deletions ~~overstruck~~.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, Exchange staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program does not impact the Exchanges' ability to perform their trade practice and market surveillance obligations under the CEA. The Exchanges' market regulation staff will monitor activity in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchanges have implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The Program does not affect the Exchanges' order execution. Participants in the Program will be selected by Exchanges' staff using criteria as set forth in Exhibit 1. Each of the Exchanges' respective rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchanges' in which each participant expressly agrees to comply with, and be subject to, applicable regulations and applicable rules. The Program is subject to the Exchanges' record retention policies which comply with the CEA.

The Exchanges certify that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Upon satisfying all Program obligations, as determined by the Exchange, each calendar month participants may be eligible to earn fee credits to be used towards marketing, sales, and commercial initiatives targeting Exchange products. For each month in a ~~six (6)~~ three (3) month period, if a participant's retail month-over-month volume has increased at a higher rate compared to the Exchanges' total Globex volume, excluding CME Interest Rate futures and options products and adjusted for Micro contracts volume**, the participant will receive a fee credit of ~~\$0.50~~ \$0.40 for each incremental side grown versus the Exchanges'. *Participants may only join the Program on the first day of a month. Participants not joining the Program at the beginning of a ~~six (6)~~ three (3) month period will still be subject to the same accumulation and respective Period 1/Period 2 dates.
