Re: CFTC Regulation 40.6(a) Certification. Notification Regarding Amendments to CME, CBOT, NYMEX/COMEX Definitions, Various Rules in CME, CBOT, NYMEX/COMEX Chapters 4, 8, and CME Chapters 8F, 8G, 12, and 13 and Issuance of Market Regulation Advisory Notice RA1915-5. CME Submission No. 19-423 (2 of 5)

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(a), Chicago Mercantile Exchange Inc., in its capacities as both a designated contract market (“DCM”) (“CME”) and a derivatives clearing organization (“DCO”) (“Clearing House”), The Board of Trade of the City of Chicago, Inc. (“CBOT”), New York Mercantile Exchange, Inc. (“NYMEX”), and Commodity Exchange, Inc. (“COMEX”), each in their capacities as a DCM (each an “Exchange” and collectively, the “Exchanges”), hereby notify the Commission that they are self-certifying amendments to the Definitions Section, various rules in CME, CBOT, NYMEX/COMEX Chapters 4 (“Enforcement of Rules”), 8 (“Clearing House and Performance Bonds”), and CME Chapters 8F (“Over-the-Counter Derivative Clearing”), 8G (“Interest Rate Derivative Clearing”), 12 (“CME Spot Market – Electronic”), and 13 (“Spot FX Transactions”), and the issuance of CME Group Market Regulation Advisory Notice RA1915-5 (collectively, the “Rule Amendments”) effective on Tuesday, December 31, 2019, for trade date Thursday, January 2, 2020.

As described below, the Rule Amendments modify outdated language in certain rules and adopt conforming amendments to certain rules based on amendments recently adopted to CME, CBOT, NYMEX/COMEX Rule 435 (“Effect of Suspension or Expulsion”).¹

Definitions

The Exchanges are adopting a definition of the terms designated contract maker, derivatives clearing organization, and swap execution facility based on the more widespread use of the terms in Chapter 4. The definitions reference the actual definition as set forth in CFTC Regulation 1.3 (Definitions). Adopting the new definitions necessitates capitalization of those terms in other rules in CME, CBOT, NYMEX/COMEX Chapter 8 (“Clearing House and Performance Bonds”) and CME Chapters 8F (“Over-the-Counter Derivative Clearing”), 8G (“Interest Rate Derivative Clearing”), 12 (“CME Spot Market Trading – Electronic”) and 13 (“Spot FX Transactions”).

¹ See CME/CBOT/NYMEX/COMEX Submission 19-018 from July 17, 2019.

Rule 402 (“Business Conduct Committee”)

The amendments conform to the aforementioned amendments Rule 435.

Rule 413 (“Summary Access Denial Actions”)

The ability of the Chief Regulatory Officer (“CRO”) to summarily deny access to any or all CME Group markets in the first provision of the rule renders the second and third provisions unnecessary.

Rule 432 (“General Offenses”)

The existing reference in Subsection S. (“to fail, after hearing, to comply with an order of the Board, Exchange staff or any hearing committee”) inaccurately references the term “hearing.” Staff of Market Regulation has sanctioning authority for minor violations of certain rules, and failure to pay those sanctions also constitutes a violation of Rule 432.S. The amendment strikes the reference to “after hearing.”

The amendment to Subsection Y. is intended to conform to the aforementioned amendments to Rule 435.

Rule 444 (“Payment of Disciplinary Fines, Disgorgement and Restitution Orders”)

The amendments to Rule 444 limit the scope of the loss of privileges for failure to pay a disciplinary fine, disgorgement order, or restitution (“failure to pay”) to any designated contract market, derivatives clearing organization, or swap execution facility owned or controlled by CME Group, in accordance with the aforementioned amendments to Rule 435.

The current provision stating that a member firm that fails to make payment will forfeit preferred fee treatment for its proprietary trading is being deleted as unnecessary since the preceding sentence bars such firms from any trading in our markets while the fine remains unpaid. The first sentence of Rule 444 is also being amended to remove the reference to Exchange disciplinary committees in favor of adopting more generic language.

In connection with the amendments, the Exchanges will issue Market Regulation Advisory Notice RA1915-5 (“RA1915-5”) to reflect the text of amended Rule 444.

The Clearing House and the Exchanges reviewed the DCO core principles and the DCM core principles (collectively, the “Core Principles”), as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the Rule Amendments may have some bearing on the following Core Principles:

DCO Core Principles

DCO Core Principle L - Public Information: The Rule Amendments will be posted publicly on the CME Group website in satisfaction of this Core Principle. In addition, a Special Executive Report will be posted publicly on the CME Group website and emailed to subscribers.

DCM Core Principles

DCM Core Principle 7 – Availability of General Information: The Rule Amendments will be posted publicly on the CME Group website in satisfaction of this Core Principle. In addition, a Special Executive Report and RA1915-5 will be posted publicly on the CME Group website and emailed to subscribers.

DCM Core Principle 13 – Disciplinary Procedures: The Rule Amendments directly concern the Exchange disciplinary process and procedures and remain in compliance with this Core Principle.

There were no substantive opposing views to this proposal.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Clearing House and the Exchanges certify that the Rule Amendments and the issuance of RA1915-5 comply with the Act and regulations thereunder.

The Clearing House and the Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please contact the undersigned at 212.299.2200 or via email at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
