**Re: Extension of MSCI Contract Exchange Member Fee Program
 Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) submits, by written certification, amendments which extend the MSCI Contract Exchange Member Fee Program (“Program”) through March 31, 2019, as set forth in Exhibit A. The Exchange believes that the Program, which was initially launched in June of 2014 and set to expire on December 31, 2018, has helped increase liquidity in the futures contracts that are currently covered. As such, the Exchange is extending the term of the Program through March.

The Exchange certifies that the Program continues to comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the amendments, which will become effective on January 1, 2019, comply with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a notice of pending certification was posted on the Exchange’s website. A copy of this submission may be accessed at (<https://www.theice.com/futures-us/regulation#rule-filings>). The Exchange is not aware of any opposing views with respect to the Program.
