The Exchanges are implementing the Rule Amendments to more appropriately align the listing schedule with other CME and CBOT commodity index products.

The Exchanges reviewed the DCO and DCM core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the Rule Amendments may have some bearing on the following Core Principles:

DCO Core Principles:

Public Information: CME shall disseminate a Special Executive Report (“SER”) regarding the Rule Amendments. The SER will also be posted on the CME Group website.

DCM Core Principles:

Emergency Authority: As there is no open interest in any of the contract months to be delisted, there will be no market disruption related to their delisting.

Availability of General Information: The Exchanges will release a Special Executive Report (“SER”) regarding the Rule Amendments. The SER will also be posted on the CME Group website.

Daily Publication of Trading Information: The Exchanges will continue to publish contract trading volumes, open interest levels, and price information daily on its website and through quote vendors for the Contract.

Compliance with Rules: The Exchanges shall continue its normal practice to establish, monitor, and enforce compliance with the rules of the Contracts.

Execution of Transactions: Following the implementation of the Rule Amendments, the Exchanges will continue to provide a competitive, open, and efficient market and mechanism for executing transactions that protects the price discovery process of trading for the Contracts.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchanges hereby certify that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to the Rule Amendments.

The Exchanges certify that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (312) 466-7478 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Timothy Elliott
