**RE: Termination of the Commodity Index Swaps Fee Discount Program
CBOT Submission No. 24-240**

Dear Mr. Kirkpatrick:

The Board of Trade of the City of Chicago, Inc. ("CBOT" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to terminate the Commodity Index Swaps Fee Discount Program ("Program"). The Program will terminate at close of business on June 14, 2024.

Exhibit 1 sets forth the terms of the Program. Modifications appear below, with deletions ~~overstruck~~.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, Exchange staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program did not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA and the Exchange's market regulation staff monitored trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchange implemented systems to track Program participants' obligations to ensure proper distribution of earned incentives. The incentives in the Program did not impact the Exchange's order execution. Participants in the Program were selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the CBOT rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants executed a contractual agreement with the Exchange in which each participant expressly agreed to comply with and be subject to, applicable regulations and CBOT rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

CBOT certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
