**Re: CFTC Regulation 40.6(a) Certification. Deletion of the text of CME, CBOT, NYMEX/COMEX Rule 956.D. (“Position Limits”).
CME Submission No. 24-404 (2 of 5)**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(a), Chicago Mercantile Exchange Inc. (“CME”), in its capacities as both a designated contract market (“DCM”) and a derivatives clearing organization (“DCO” or “Clearing House”), and The Board of Trade of the City of Chicago, Inc. (“CBOT”), New York Mercantile Exchange, Inc. (“NYMEX”) and Commodity Exchange, Inc. (“COMEX”), in their capacities as DCMs, (each an “Exchange” and collectively with CME, the “Exchanges”) hereby certify to the Commission the deletion of the text of the Exchanges’ Rule 956.D. (“Position Limits”) (collectively, the “Rule Amendments”) effective on September 27, 2024.

Background

Various versions of Rule 956.D. have been in CME’s rulebook as far back as 1967, long before exchanges had any affirmative regulatory obligation to adopt position limits. As such, the Exchanges believe the current existence of Rule 956.D. is merely a carry-over from decades ago that has since been overtaken by current CFTC requirements with respect to position limit aggregation requirements. These requirements are covered pursuant to the long-standing CME, CBOT, and NYMEX/COMEX Rule 559. (“Position Limits and Exemptions”). As the Commission and market participants are no doubt aware, Exchange Rules 559., 560. (“Position Accountability”), 561. (“Submission of Large Trader Positions and Volume Threshold Accounts”), and 562. (“Position Limit Violations”), as well as their related Market Regulation Advisory Notices, have amply covered the topic of position limits over the years. Therefore, in order to provide for greater clarity for market participants, the Clearing House and Exchanges are deleting the text of Rule 956.D.

The Rule Amendments are provided in Exhibit 1 below in blackline format.

Core Principle Analysis

The DCO reviewed the DCO Core Principles and the Exchanges reviewed the DCM Core Principles (collectively, the “Core Principles”) as set forth in the Commodity Exchange Act (“CEA”) and identified that the Rule Amendments may have some bearing on the following Core Principles.

A. DCO Core Principles

DCO Core Principle L - Public Information: This Core Principle requires the Clearing House to publicly disclose its rules and procedures. The Rule Amendments will be incorporated into the

Exchanges' publicly available rulebooks.

DCO Core Principle R – Legal Risk: This Core Principle requires the Clearing House to operate pursuant to a well-founded, transparent, and enforceable legal framework that addresses each aspect of its activities. The Rule Amendment eliminates any ambiguity market participants may have had with respect to position limit aggregation rules of the Exchanges.

B. DCM Core Principles

DCM Core Principle 5 – Position Limitations or Accountability: The Rule Amendments will make it clear that the primary rules regarding position limits and aggregation are located in Chapter 5 of the Exchanges' and Clearing House's rulebooks.

DCM Core Principle 7 - Availability of General Information: The Rule Amendments will be incorporated into the Exchanges' publicly available rulebook.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchanges and the Clearing House certify that the Rule Amendments comply with the CEA and the regulations thereunder. There were no substantive opposing views to the Rule Amendments.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please contact the undersigned at (312) 466-7478 or via email at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Timothy Elliott
Managing Director and Chief Regulatory Counsel
