Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(a), Chicago Mercantile Exchange Inc. (“CME”), in its capacities as both a designated contract market (“DCM”) and a derivatives clearing organization (“DCO” or “Clearing House”), and The Board of Trade of the City of Chicago, Inc. (“CBOT”), New York Mercantile Exchange, Inc. (“NYMEX”) and Commodity Exchange, Inc. (“COMEX”), in their capacities as DCMs (each an “Exchange” and collectively with CME, the “Exchanges”), hereby certify to the Commission amendments to the Exchanges’ Chapter iii (“Definitions”), Rules 130. (“Required Notices by Member Firms and Suspension of Member Firm Privileges”), 400. (“General Provisions”), 401. (“The Chief Regulatory Officer”), 402. (“Business Conduct Committee”), 403. (“Clearing House Risk Committee”), 406. (“Issuance of Charges”), 407. (“Investigation, Charging Memorandum and Notice of Charges”), 408. (“Conduct of Hearings”), 411. (“Appeal to a Hearing Panel of the Board of Directors”), 412. (“Summary Actions”), 413. (“Summary Access Denial Actions”), 417. (“Prohibited Communications”), 432. (“General Offenses”), 444. (“IRS Clearing Member Obligations and Qualifications”), 8G07. (“IRS Financial Safeguards and Guaranty Fund Deposit”), 8G18. (“IRS Swaptions Membership”), 8G27. (“IRS Risk Committee”) 8G24. (“Additional IRS Performance Bond”), 8G975. (“IRS Emergency Financial Conditions”), 901. (“General Requirements and Obligations”), 903. (“Responsibility for Qualified Members”), 911. (“Screening Procedures”), 974. (“Suspension of Member Firm Privileges”), 975. (“Emergency Financial Conditions”), and 980. (“Required Records and Reports”) (collectively, the “Rule Amendments”) effective on October 3, 2024.

Background

Following feedback from both the Clearing House Risk Committee and industry participants, Clearing House management, in conjunction with the Financial and Regulatory Surveillance (“FRS”), Market Regulation and Legal Departments, undertook a review of the Clearing House disciplinary process. The assessment was undertaken following feedback from the Clearing House Risk Committee (“CHRC” or the “Committee”) that enforcement matters were taking up an increasing proportion of its agenda. With recent regulatory initiatives from the CFTC on DCO governance and risk management, the Clearing House determined that the CHRC and the IRS Risk Committee (“IRSRC”) (collectively, the “Risk Committees”) may have heightened responsibilities regarding their risk-based input and increased documentation obligations. In addition, there is now increased customer participation on the Risk Committees and market

participants serving on new risk working groups which will be providing risk-based feedback to the Risk Committees for consideration and documentation.

As a result, Clearing House management determined to harmonize the disciplinary process across the Clearing House and the Exchanges. Specifically, the Clearing House and Exchanges will fold the existing Clearing House disciplinary process, and the Risk Committees' roles in that process, into the Business Conduct Committee ("BCC") process currently utilized by the Exchanges.

The Clearing House and the Exchanges believe this approach makes sense for a number of reasons. First, it allows the Risk Committees to focus on CME Clearing's risk agenda, new initiatives, and risk policies and to consider and document feedback from the risk working groups. Second, it eliminates perceived commercial concerns, which may become more acute with the participation of customers on the Risk Committees, where they may hear of disciplinary matters involving their clearing member before other customers or involving clearing members at which customers may be considering opening an account. Third, it better leverages the skills and expertise of FRS and Market Regulation in the disciplinary process. Finally, it builds around the existing BCC process, which is both well established and familiar to market participants.

Clearing House management does not believe this change has any significant impact to the risk profile of the Clearing House nor any material effect on the performance of duties by either the Clearing House or the Exchanges. FRS will continue to report to the Global Head of Clearing and Post-Trade Services and perform its role as a designated self-regulatory organization in conducting risk-based examinations and financial surveillance of clearing members for compliance with Exchange rules. Clearing House staff will continue to monitor for and investigate non-compliance with clearing-related Exchange rules that are outside the purview of FRS. No changes to the Market Regulation Department are anticipated at this time. Clearing Members are familiar with the BCC process and nothing will change with respect to their interaction and participation in this process.

In summary, the Rule Amendments reflect the changes necessary to insert the Business Conduct Committee into the disciplinary process in place of the Risk Committees, define what documents constitute the investigative file and make some typographical and clerical changes to clean up duplicative, ambiguous or ungrammatical language.

The Rule Amendments are provided in Exhibit 1 below in blackline format.

Core Principle Analysis

The DCO reviewed the DCO Core Principles and the Exchanges reviewed the DCM Core Principles (collectively, the "Core Principles") as set forth in the Commodity Exchange Act ("CEA") and identified that the Rule Amendments may have some bearing on the following Core Principles.

A. DCO Core Principles

DCO Core Principle H – Rule Enforcement: This Core Principle requires the Clearing House to maintain adequate arrangements for rule enforcement. The resources dedicated to this effort will not change and the Rule Amendments will harmonize the enforcement process into a single, well-known process and eliminate any potential confusion by market participants.

DCO Core Principle L - Public Information: This Core Principle requires the Clearing House to publicly disclose its rules and procedures. The Rule Amendments will be incorporated into the Exchanges' publicly available rulebooks. The Clearing House will release a Clearing House Advisory Notice ("CHAN") to the marketplace regarding the Rule Amendments.

B. DCM Core Principles

DCM Core Principle 7 - Availability of General Information: The Rule Amendments will be incorporated into the Exchanges' publicly available rulebooks. The Exchanges will release a Special Executive Report ("SER") regarding the Rule Amendments to ensure notification to market participants.

DCM Core Principle 11 – Financial Integrity of Transactions: The Rule Amendments do not alter existing Exchange rules that are designed to ensure the financial integrity of transactions, the financial integrity of any futures commission merchant or introducing broker, or the protection of customer funds. The financial surveillance program will continue to comply with the requirements of CFTC Regulation 1.52.

DCM Core Principle 13 – Disciplinary Procedures: The Rule Amendments incorporate changes to the disciplinary process for matters previously considered by the Risk Committees.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchanges and the Clearing House certify that the Rule Amendments comply with the CEA and the regulations thereunder. There were no substantive opposing views to the Rule Amendments.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

403.D. Appeal of Administrative Fines

~~Appeals of administrative fines in excess of \$25,000, imposed pursuant to Rule 852, shall be~~

~~heard by a panel comprised of a co-chairman and three members of the CHRC. The panel's decision shall be final. The appellant shall be advised of its right to appear at the hearing and of its right to be represented, at its own cost, by legal counsel or a member of the Exchange, other than a member of any Exchange disciplinary committee, a member of the Board or an employee of CME Group. The appellant may present evidence in support of its appeal. The panel shall not set aside, modify or amend the decision appealed from unless the panel determines by a majority vote that the decision was:~~

- ~~1. Arbitrary, capricious, or an abuse of Exchange staff's discretion;~~
- ~~2. In excess of Exchange staff's authority or jurisdiction; or~~
- ~~3. Based on a clearly erroneous application or interpretation of Exchange Rules.~~

[Remainder of Rule is unchanged.]

406. ISSUANCE OF CHARGES

The Chief Regulatory Officer shall receive and review investigation reports, including examination and surveillance reports and other notices of non-compliance from each of the Respective Departments ~~the Market Regulation Department~~ when ~~the Market Regulation Department~~ the Respective Department has reasonable cause to believe a violation of an Exchange Rule has occurred warranting disciplinary action.

The ~~Market Regulation~~ Respective Department is not required to provide a respondent notice of its intent to request the Chief Regulatory Officer to issue charges.

No ~~party or subject of an investigation person~~ shall have the right to appear before the Chief Regulatory Officer or make any written submission on their ~~his~~ behalf.

The Chief Regulatory Officer shall take one of the following actions:

- A. If the Chief Regulatory Officer determines that a reasonable basis exists for finding that a violation of an Exchange Rule may have occurred which warrants disciplinary action, the Chief Regulatory Officer ~~he~~ shall issue appropriate charges.
- B. If the Chief Regulatory Officer determines that no reasonable basis exists for finding that a violation of an Exchange Rule may have occurred, the Chief Regulatory Officer ~~he~~ shall direct that no further action be taken.
- C. Direct that the Respective ~~Market Regulation~~ Department investigate the matter further.

The Chief Regulatory Officer shall direct the Market Regulation Department to give notice of the charges to the respondent in accordance with Rule 407.B.

All information, records, materials and documents provided to the Chief Regulatory Officer and all information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further an Exchange ~~i~~nvestigation or as required by law.

[Remainder of Rule is unchanged.]

407. INVESTIGATION, CHARGING MEMORANDUM AND NOTICE OF CHARGES

~~The Market Regulation Department~~ Each Respective Department shall investigate potential or alleged Rule violations. Investigations, investigation reports, risk-based examination reports and

responses, work papers, correspondence and all information and documents obtained during the course of an investigation shall be treated as non-public and confidential and shall not be disclosed by any party, except as necessary to further an Exchange investigation or as required by law. At the request of the Respective Department, ~~The Market Regulation Department~~ is authorized to take recorded interviews pursuant to an Exchange ~~investigation~~. Parties and witnesses being interviewed shall have the right to representation, at their own cost, by legal counsel or anyone other than a member of any Exchange disciplinary committee, a member of the Board, an employee of CME Group or a Person related to the investigation. The failure to appear at a scheduled interview or to answer all of the questions posed during that interview may, in the discretion of the BCC Panel Chair, result in the Person being prohibited from testifying in a subsequent hearing on the matter.

Upon conclusion of an investigation, the ~~Market Regulation Department~~ Respective Department may issue a warning letter to any party as a result of the investigation. Such letter shall not constitute either the finding of a Rule violation or a penalty.

407.A. Investigation File

Each of the Respective Departments ~~The Market Regulation Department~~ shall maintain a file once an investigation is initiated. The file shall include any materials in the possession of the ~~Market Regulation Department~~ Respective Department that are relevant to the conduct being investigated.

407.B. Notice of Charges; Opportunity for Hearing

Where the Chief Regulatory Officer has issued charges for an alleged Rule violation, the Market Regulation Department shall issue a charging memorandum to the respondent with a brief statement of factual allegations that identifies the charged Rule violation(s). In addition, the Market Regulation Department will send a notice of charges to the respondent. The notice of charges shall set forth the Rule(s) alleged to have been violated, and shall advise the respondent regarding the submission of a responsive answer to each charge in accordance with Rule 407.C. Further, the notice of charges shall advise the respondent that the matter will be heard by a BCC Panel and of the time and place for the hearing, if known. The respondent shall also be advised of their ~~his~~ right to appear personally at the hearing and of their ~~his~~ right to be represented, at their ~~his~~ own cost, by legal counsel or a member of the Exchange, other than a member of any exchange disciplinary committee, a member of the Board, an employee of CME Group or a Person related to the investigation.

A respondent may waive their ~~his~~ right to a hearing at any time after receipt of the notice of charges. A respondent who elects to waive their ~~his~~ right to a hearing on the charges will be notified of the date on which the BCC Panel will render its decision. Upon a finding of guilt on any charge, the BCC Panel will promptly determine what penalties, if any, are to be imposed and their effective date. A respondent who has waived their ~~his~~ right to a hearing and/or admitted the charges against them ~~him~~ will be advised of their ~~his~~ right to participate in the hearing solely with respect to the penalty.

407.C. Answer to Charges

The respondent shall have 21 days after notice to submit a written answer to the charges. The Market Regulation Department and the respondent may agree in writing to an extension of the period of time to submit an answer to such charges. Absent such agreement, upon a showing of good cause, the BCC Hearing Panel Chair may extend the period of time in which the respondent is required to submit their ~~his~~ answer. The answer must state that the respondent admits, denies, or lacks sufficient knowledge to admit or deny each charge. A statement of lack of sufficient knowledge shall be deemed a denial.

If a respondent fails to answer the charges in accordance with this Rule, the Market Regulation Department may seek a default finding and sanctions in accordance with Rule 408.F.

407.D. Amendment to Charging Memorandum; Non-Prosecution of Charges

The issuance of charges shall not prevent the ~~Market Regulation Department~~ Respective Department from continuing to investigate the activity underlying the charges or investigating or examining for other potential violations by the respondent. The Market Regulation Department

reserves the right to modify the charging memorandum. Notwithstanding the prior sentence, no charges may be added to the charging memorandum absent the consent of the Chief Regulatory Officer. The Respondent shall have 21 days from notice of an amended charging memorandum to file an answer to any new or modified charges in the amended memorandum.

The Market Regulation Department may, in its sole discretion, decline to prosecute any one or more of the charges previously issued by the Chief Regulatory Officer. If the Market Regulation Department declines to prosecute any previously issued charge after the Respondent has received a Notice of Charges, the Market Regulation Department shall provide notice to the Respondent of such decision. Further the Market Regulation Department may, in its sole discretion, resolve a previously issued charge through issuance of a letter of warning.

[Remainder of Rule is unchanged.]

408. CONDUCT OF HEARINGS

408.A. General

All disciplinary proceedings conducted before a panel of the BCC or before a hearing panel of the Board of Directors (~~collectively~~, each a "Panel" or "Hearing Panel") shall be conducted in accordance with the following procedures.

Hearings shall be fair. The respondent shall have the right to appear personally at the hearing and to be represented at ~~their~~ ~~his~~ own cost by legal counsel or anyone other than a member of any exchange disciplinary committee, a member of the Board, an employee of CME Group or a Person related to the investigation. The Panel or the Hearing Panel Chair shall have the power to compel any party subject to its jurisdiction, including any Member, to attend, testify and/or produce evidence in connection with the hearing. The Market Regulation Department shall make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.

408.B. Pre-Hearing

1. Procedural Matters

Prior to the hearing, but subsequent to the timely filing of an answer, a party charged with a violation of an Exchange rule may examine all evidence in the investigation file that is relevant to the violation(s) charged and all evidence which is to be relied upon by the Market Regulation Department during the hearing. However, the respondent shall not be entitled to examine protected attorney work product, attorney-client communications or investigative work product, including, but not limited to, the investigation report, work papers, financial and reporting surveillance records, internal communications and any exception reports. The respondent may obtain a copy of all such evidence, and any copying costs shall be the sole responsibility of the respondent. The Market Regulation Department is not required to produce or obtain any documents that are not in its possession. A respondent who seeks documents that are not in the possession of the Market Regulation Department may request the documents from the custodian of such documents. Upon a showing of good cause, the respondent may petition the Hearing Panel Chair, in writing, for an order compelling the production of documents by a custodian, provided that the custodian is subject to the jurisdiction of the Exchange, the custodian has refused voluntarily to provide the documents and the documents are relevant to the charges. The Market Regulation Department or the custodian may object, in whole or in part, to any such petition.

2. Appointment of a Panel for a Contested Hearing

The Market Regulation Department shall, in writing, notify the respondent of the names of the individuals originally appointed to the Panel for a contested hearing at least 28 days in advance of the originally scheduled hearing date. Within seven days of such notice, parties

to the hearing may request the Hearing Panel Chair to strike any panelist for good cause shown. The Hearing Panel Chair may then excuse such panelist and direct that an alternate panelist be appointed. In the sole discretion of the Panel Chair, the hearing may be conducted with less than a full Panel provided a quorum exists.

In the event any panelist is added, the Market Regulation Department shall provide all parties reasonable notice regarding the new panelist. The addition of a new panelist will not delay the scheduled hearing date unless the panelist is added less than five days in advance of the scheduled hearing and a party can demonstrate good cause for the requested delay.

Notwithstanding the foregoing, any party to a contested hearing may, following the filing of an answer to the charges, request the appointment of a Hearing Panel Chair prior to the time period set forth above for the purpose of resolving pre-trial disputes. The matters that may be raised before the Hearing Panel Chair include, without limitation:

- a. scope and timing of fact discovery;
- b. scope and timing of expert discovery;
- c. allocation of discovery costs;
- d. use and disclosure of demonstratives;
- e. requests to alter timing requirements set forth in these Rules; or
- f. scheduling of the contested hearing

The Hearing Panel Chair may hold a pre-trial conference to address these issues or may, in their ~~his~~ discretion, resolve them on written submissions by the parties.

The Hearing Panel Chair shall have the authority to issue non-monetary sanctions against any party or legal counsel or other representative who fails to comply with an order of the Chair or who engages in vexatious, frivolous or bad faith conduct. Such sanctions may include drawing adverse inferences or excluding legal argument, evidence or other submissions. Sanctions may not include entry of a default judgment. The Hearing Panel Chair must allow both parties to make written submissions on the issue prior to imposing any sanction.

3. Submission of Documents and Identification of Witnesses

At least 28 days in advance of a contested hearing, the respondent shall submit to the Market Regulation Department, and the Market Regulation Department shall submit to the respondent, copies of all books, documents, records and other tangible evidence, which each plans to rely on or refer to during its direct case at the hearing, and provide a list of the names and titles of witnesses that each plans to call on its direct case at the hearing. The Panel may refuse to consider any books, records, documents or other tangible evidence which was not made available to, or witnesses whose names and titles were not submitted to, the other party pursuant to this section.

To the extent Market Regulation or the respondent intends to call any expert witness at the hearing then such party shall provide to the other, 28 days prior to the date of the hearing, a summary of the expert's opinions to be offered at the hearing and the basis and/or methodology underlying such opinions. In addition, the expert's credentials (e.g., a *curriculum vitae*) and all documents or other materials on which the expert relied in forming their ~~his~~ opinions shall be produced to the other party at the same time. For purposes of this provision, staff in the Market Regulation Department or other CME Group employee shall not be considered experts. The Panel may decline to consider any expert testimony beyond the scope of the submitted summary.

4. Additional Discovery

Absent an order of the Hearing Panel Chair or consent of the parties, no discovery beyond that set forth in Rules 407 and 408 shall be permitted.

5. Motions

The Hearing Panel Chair shall have the authority to decide all procedural and evidentiary matters and all pre-hearing motions, and the Hearing Panel Chair's decision shall be final. Notwithstanding the preceding sentence, no motions to dismiss any or all of the charges or any other dispositive motion may be filed.

Any pre-hearing motion must be submitted in writing to the parties and BCC's counsel at least 21 days in advance of the scheduled hearing. The opposing party shall submit a response, if any, within 7 seven days of receipt of any pre-hearing motion. No reply papers are permitted. The Hearing Panel Chair, in their ~~his~~ sole discretion, may hold oral argument on any motion or may decide any motion on the written submissions of the parties.

408.C. Offers of Settlement

A respondent that is the subject of an investigation, which has been referred to the Market Regulation Department Enforcement Group for prosecution by a Respective Department as provided in this Chapter, may submit for consideration by the Panel a written offer of settlement in disposition of such matter. Such submission may be made at any time prior to the Panel commencing deliberations at a contested hearing of the case. No offer of settlement may be submitted by a respondent to the Panel unless the Market Regulation Department supports the offer.

A respondent may submit an offer of settlement without admitting or denying the Rule violations or factual findings upon which the penalty is based; provided, however, that an offer must include a consent to entry of findings by the Panel regarding the conduct and Rule violations at issue, to the penalty to be imposed and to the effective date of the penalty.

The respondent's written offer of settlement and the Market Regulation Department's supporting statement shall be submitted to the Panel for consideration.

The Market Regulation Department shall, in writing, notify the respondent of the names of the individuals originally appointed to the Panel to consider respondent's settlement offer at least seven days in advance of the originally scheduled hearing date. Parties to the hearing may request the Hearing Panel Chair to strike any panelist for good cause shown. The Hearing Panel Chair may then excuse such panelist and direct that an alternate panelist be appointed. In the sole discretion of the Panel Chair, the hearing may be conducted with less than a full Panel provided a quorum exists.

In the event any panelist is added, the Market Regulation Department shall provide all parties reasonable notice regarding the new panelist. The addition of a new panelist will not delay the scheduled hearing date unless the panelist is added less than five days in advance of the scheduled hearing and a party can demonstrate good cause for the requested delay.

A respondent may withdraw an offer of settlement at any time prior to the start of the hearing on the proposed settlement before the Panel. If the Panel accepts the offer, a written decision setting forth the Panel's findings and sanction shall be issued, and written notice of the decision shall be given to the respondent. If the offer of settlement is accepted, the BCC's decision shall be final on the date it is signed by the Hearing Panel Chair and, unless otherwise ordered by the Panel, it shall become effective two business days after it becomes final.

If the Panel rejects an offer of settlement, the respondent will be notified of the rejection and it will be deemed withdrawn. If an offer is withdrawn or rejected by the Panel, the respondent shall not be deemed to have made any admissions by reason of the offer and shall not otherwise be prejudiced by having submitted the offer. No statements made or documents exchanged by the parties solely in the context of a withdrawn or rejected offer of settlement or during any settlement negotiations shall be admissible in any contested hearing.

Any subsequent offers of settlement shall be heard by the same Panel; however, alternate panelists may be appointed in the event of scheduling conflicts. Any contested hearing following an offer of settlement not accepted by the Panel will be heard by a new Panel.

In submitting an offer of settlement, the respondent waives their ~~his~~ right to a contested hearing and to appeal the Panel's decision if the offer is accepted; the respondent also waives any claim of bias or prejudice on the part of the Panel.

408.D. Contested Hearings

The Market Regulation Department shall be a party to the contested hearing and shall present evidence in support of the charged Rule violation(s). The Market Regulation Department and the members of the Panel may question any witness and examine all the evidence stipulated to or presented at the hearing. The respondent shall be entitled to appear personally, testify,

produce evidence, call witnesses on ~~their~~ ~~his~~ behalf and cross-examine any witness. The Hearing Panel Chair may exclude any witness, other than a party or other essential Person, during the opening statements or during the testimony of any other witness.

The Market Regulation Department bears the burden of establishing the basis for a finding of guilt on any charge by a preponderance of the evidence. Formal rules of evidence shall not apply. The parties may offer such evidence as is relevant to the charges at issue. The Hearing Panel Chair shall determine the admissibility of evidence offered and may exclude evidence that ~~they~~ ~~he~~ deems irrelevant or cumulative. The Hearing Panel Chair has the discretion to vary the structure and presentation of evidence to make the hearing as efficient as possible. The parties may submit stipulated facts in order to make the hearing more efficient.

The hearing may proceed in the absence of a respondent who, after due notice, fails to appear. However, the failure to appear is not a default if the respondent has filed a written answer denying the charges issued. Accordingly, Market Regulation still bears the burden of proof and must present evidence to meet that burden.

All testimony and documents produced in connection with a disciplinary hearing shall be deemed non-public and confidential and shall not be disclosed except in connection with proceedings resulting from that hearing or as required by law. A recording or other substantially verbatim record of the hearing shall be made by Market Regulation or a court reporter hired by Market Regulation and become part of the record of the proceeding. If a respondent requests a transcript, ~~he~~ ~~the respondent~~ shall be solely responsible for the cost of producing the transcript. No other means of recording the proceedings will be permitted absent written agreement of the parties or pursuant to an order of the Hearing Panel Chair.

A majority vote of the Panel is required for a finding of guilt. A respondent that is found not guilty shall not again be charged with or tried for the same underlying conduct. In the event of a finding of guilt, the Panel, in a separate sanctioning phase, must allow both parties to present arguments and information regarding the appropriate nature and amount of a sanction prior to determining such sanction. In the absence of exceptional circumstances, as determined by the Hearing Panel Chair, the sanctioning phase shall proceed immediately upon the conclusion of the evidence and determination of the committee.

The BCC's decision shall be final on the date it is signed by the Hearing Panel Chair. -The BCC's decision shall become the final decision of the Exchange after the appeal period has lapsed.

408.E. Decisions

Promptly following a hearing, BCC Panel shall issue to the Market Regulation Department and to respondent a written decision of the Panel's findings, which shall include: the notice of charges (or a summary thereof); the answer to the charges, if any (or a summary thereof); a brief summary of the evidence produced at the hearing; a statement of findings and reasoned conclusions with respect to each charge, including the specific Rules which the respondent is found to have violated; a declaration of any penalty imposed and the effective date of such penalty; and the availability, if any, of an appeal of the decision within the Exchange or to the Commodity Futures Trading Commission.

408.F. Default Proceedings

If a respondent fails to submit a written answer to the charges pursuant to Rule 407.C., or answers but fails to deny the charges, Market Regulation may serve the respondent with a motion for default and a request for sanctions. The motion for default shall request that a BCC Panel Chair find that the respondent is deemed to have admitted the charges, and the request for sanctions shall request that a BCC Panel impose sanctions on the admitted charges. A copy of the motion for default and request for sanctions shall also be filed with the CME Group Legal Department, which serves as counsel to the BCC Panel.

The Respondent shall have 21 days from notice to respond to the motion for default and request for sanctions. Thereafter, the respondent will be provided at least seven days' notice of the date of a hearing to consider the motion for default and request for sanctions. The respondent shall have the right to be represented at the hearing at ~~his~~ ~~their~~ own cost by legal counsel or anyone other than a member of a disciplinary committee, a member of the Board, an employee of CME

Group or a Person related to the investigation.

At the hearing, based on the written filings of the parties, except where the BCC Panel Chair determines that oral argument is necessary, the BCC Panel Chair will first decide if the respondent has failed to answer the charges in accordance with Rule 407.C., and, if so, the respondent shall be deemed to have admitted the charges. If the BCC Panel Chair finds that the respondent has admitted the charges, the respondent will be deemed to have waived their ~~his~~ right to a hearing on the merits of the charges, the BCC Panel shall find that the violations alleged in the charging memorandum have been committed, and the BCC Panel will then determine the sanctions, if any, to be imposed, after permitting both parties to present arguments and information regarding the appropriate nature and amount of any such sanctions.

If an answer contains both an admission to one or more charges and a denial of one or more charges, the BCC Panel will consider the penalties which may be imposed for the admitted charges at the same time that the charges denied by the respondent are considered.

If the BCC Panel Chair does not find that the respondent has failed to answer the charges, no further action on the charges will occur at the hearing.

Decisions on the Motion for Default and the sanctions imposed shall be issued in accordance with Rule 408.E.

[Remainder of Rule is unchanged.]

411. APPEAL TO A HEARING PANEL OF THE BOARD OF DIRECTORS

A notice of appeal must specify the grounds for the appeal and the specific error(s) or impropriety of the original decision. Upon receiving the notice of appeal the parties, in conjunction with the Exchange Legal Department shall determine a briefing schedule for the appeal. If agreement on the schedule cannot be reached the Appellate Panel Chair shall set the schedule. The Appellate Panel Chair shall determine, in their ~~his~~ sole discretion, whether to hold oral argument on the appeal or whether to decide the appeal on the papers submitted by the parties.

The appellate hearing shall be limited to the record from the appealed proceeding. The Appellate Panel shall not entertain any new evidence or new legal theory not raised in the prior proceeding except upon a clear showing by the appellant that such new evidence or new legal theory did not exist or was not ascertainable by due diligence at the time of the proceeding, and that there was insufficient time within the intervening period prior to the hearing of the Appellate Panel for the appellant to bring such new evidence or legal theory to the attention of the BCC.

No member of the Board may serve on a particular Appellate Panel if ~~they~~ ~~he~~ participated on the BCC Panel that issued the decision, or if ~~they have~~ ~~he has~~ a personal, financial, or other direct interest in the matter under consideration or is a member of the same broker association as the respondent or potential respondent.

[Remainder of Rule is unchanged.]

412. SUMMARY ACTIONS

In cases of action taken against a Member pursuant to Rules 975, 976, ~~or~~ 977 or 8G975, the Member affected shall be notified in writing of such action. The notice shall state: the action taken; the reason for the action; and the effective time, date and duration thereof.

The Member may, within two business days following receipt of notice of action taken, request a hearing before a hearing panel of the Board ("Panel"). The hearing shall be conducted within 60

days of such request, in accordance with the requirements of Rule 408, unless the Hearing Panel Chair determines that good cause for an extension has been shown, but shall not stay any action taken pursuant to Rules ~~975, 976 or 977~~ or 8G975.

Following the hearing, if any, the Panel shall cause to be prepared a written decision containing: a description of the summary action; the reasons for such action; a description of the evidence produced at the hearing; findings and conclusions; a determination that the summary action should be affirmed, set aside, modified or amended and the reasons therefor; and the effective date and duration, if any, of subsequent or continuing actions. The Panel shall not set aside, modify or amend the summary action taken against a Member unless it determines, by a majority vote, that the summary action taken was:

- A. Arbitrary, capricious, or an abuse of ~~the committee's~~ discretion; or
- B. In excess of the committee's authority or jurisdiction.

[Remainder of Rule is unchanged.]

413. SUMMARY ACCESS DENIAL ACTIONS

413.C. Hearing

Parties shall have the right to representation, at their own cost, by legal counsel or anyone other than a member of any Exchange disciplinary committee, a member of the Board, an employee of CME Group or a Person related to the investigation. The Panel shall conduct a de novo hearing solely on the issue of the denial of access in accordance with the procedures in Rule 408.A. Filing of a notice of intent pursuant to Rule 413.B. shall not stay the Chief Regulatory Officer's decision to deny access.
