Re: Product Rule Amendment Pursuant to CFTC Regulation 40.6(a)

Pursuant to Commodity Exchange Act (“CEA”) Section 5c and Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a) ForecastEx LLC (“ForecastEx”, the “Exchange”, or the “Clearinghouse”) is self-certifying the following changes to the “US Building Permits Forecast Contract” terms and conditions.

The current terms and conditions sheet currently states, incorrectly, that initial building permits data is released at 7:00 AM CT. Initial building permits data is released at 7:30 AM CT. This amendment corrects this error in the three places that it appears.

The revised terms and conditions sheet is included as exhibit A.

This change to the terms and conditions sheet will be made effective on October 2, 2024.

ForecastEx certifies that the proposed amendments comply with the Commodity Exchange Act (“CEA”) and CFTC regulations. ForecastEx further certifies that a copy of the 40.6 filing have been posted to the ForecastEx Website.

ForecastEx has reviewed the Core Principles for Designated Contract Markets (“DCMs”) and has determined that the amendments may relate to the following Core Principles.

CFTC Regulation 38.150 - Compliance with Rules: This core principle requires a DCM establish terms and conditions of any contracts to be traded on the contract market. ForecastEx is amending the terms and conditions document of one of its contracts.

CFTC Regulation 38.400 – Availability of General Information: This core principle requires that the contract market shall make public information concerning the terms and conditions of contracts in the market. ForecastEx is correcting an error in one of its terms and conditions documents which supports the goal of making public the terms and conditions of its contracts.

No substantive opposing views were offered in response to this submission.
