**RE: Implementation of the BTIC on Nikkei Futures Market Maker Program  
CME Submission No. 24-435**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME” or “Exchange”) hereby notifies the Commodity Futures Trading Commission (“CFTC” or “Commission”) of plans to implement the BTIC on Nikkei Futures Market Maker Program (“Program”). The proposed Program will become effective on November 1, 2024.

Exhibit 1 sets forth the terms of this Program.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”). During the review, Exchange staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program will not impact the Exchange’s ability to perform its trade practice and market surveillance obligations under the CEA and the Exchange’s market regulation staff will monitor trading in the Program’s products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants’ obligations to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange’s order execution. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchange in which each participant will expressly agree to comply with and be subject to applicable regulations and the Exchange’s rules. The Program is subject to the Exchange’s record retention policies which comply with the CEA.

The Exchange certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

## BTIC on Nikkei Futures Market Maker Program

### **Program Purpose**

The purpose of this Program is to support the development of the products listed below on the CME Globex Platform (“Globex”). The resulting increase in central limit order book liquidity benefits all participant segments in the market.

### **Product Scope**

BTIC on Nikkei (JPY) Futures (“NIT”) and Nikkei (JPY) Futures (“N1”) that are traded on Globex (“Products”).

### **Eligible Participants**

The Exchange may designate up to seven (7) participants in the Program. Participants may be CME members or non-members. Prospective participants are required to submit an application/bid sheet to the Exchange as part of a competitive application process which is used to determine eligibility. In determining whether a prospective participant is selected to participate in the Program, Exchange staff may take into account a variety of factors including the strength of the quoting obligations the prospective participant is willing to commit to provide, whether Exchange staff believes that the prospective participant can maintain such obligations, and historical volume trading the contracts. The Exchange may, from time to time, add or subtract from the aforementioned requirements as it deems necessary.

### **Program Term**

Start date is November 1, 2024. End date is April 30, 2025.

### **Hours**

Designated hours between 9:00AM – 3:30PM (Tokyo Time).

### **Obligations**

In order to be eligible to receive the incentives, participants must quote two-sided markets in the Products at predetermined average bid/ask spreads and minimum quote sizes during a specified percentage of time-in-market.

### **Incentives**

Upon meeting all obligations, as determined by the Exchange, participants will receive predetermined incentives.

### **Monitoring and Termination of Status**

The Exchange shall monitor trading activity and participants' performance and shall retain the right to revoke participant status if it concludes from review that a participant no longer meets the eligibility requirements or fails to meet the obligations of the Program.
