Re: Kalshi Klear LLC – Amendment to Rule 6.3, Deposit Procedures

Dear Sir or Madam,

Kalshi Klear LLC (“Kalshi” or “Clearinghouse”) hereby notifies the Commodity Futures Trading Commission (“CFTC”) that it is amending its rulebook, effective October 25, 2024, to amend Rule 6.3.A in order to remove references to specific payment rails. The amended Rule 6.3.A is as follows, with additions indicated by green text and deletions indicated by green strikethrough:

Members make deposits to the Company through a Member Portal **which is linked to the applicable payment processor or money transmitter service for the payment type selected** ~~in the case of ACH~~, and by **direct bank**~~wire~~ transfers to the relevant Settlement Bank ~~in the case of wire transfers~~. **Direct bank**~~Wire~~ transfers must be executed pursuant to the instructions provided by the Platform’s wire transfer instructions.

The change to the rule is consistent with Kalshi’s intent to introduce additional methods by which Members may make deposits.

Compliance with Core Principles

Kalshi has concluded that the amendments to the rulebook are not inconsistent with the CEA and the CFTC’s regulations. In particular, the following core principles may pertain to the amendment:

Core Principle E. Core Principle E and the implementing regulations generally set forth requirements regarding settlements, including deposits of initial margin. The amendments to the rule do not in any way restrict or impede Kalshi’s ability to comply with any of the Core Principle E requirements, and are therefore not inconsistent with the Core Principle E requirements and the regulations thereunder.

Core Principle F. Core Principle F and the implementing regulations generally set forth requirements for the protection of clearing members’ funds and assets. The amendments to the rule do not in any way restrict or impede Kalshi’s ability to comply with any of the Core

Principle F requirements, and are therefore not inconsistent with the Core Principle F requirements and the regulations thereunder.

Core Principle N. Core Principle N provides that unless necessary or appropriate to achieve the purposes of this chapter, a derivatives clearing organization shall not adopt any rule or take any action that results in any unreasonable restraint of trade, or impose any material anticompetitive burden. This amendment brings Kalshi into parity with its competitors, and does not impose any restraint of trade or anticompetitive burden. The rule amendment is therefore not inconsistent with the Core Principle N requirements.

No opposing views to the contrary have been expressed.

Kalshi accordingly certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder, and certifies that, concurrent with this filing, a copy of this submission was posted on the Kalshi website and may be accessed at: <https://kalshi.com/regulatory/notices>.

Sincerely,
Elie Mishory

G. The Company may hold a Participant liable for, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation, and with regard to Members for the acts and omissions of each Authorized User, or other agent or representative of such Member, in each case, that constitute a violation as if such violation were that of the Member.

Rule 9.2 Investigations

- A. If after review of a suspected violation the Compliance Department determines that there are sufficient grounds to warrant it, the Compliance Department will commence an investigation. The Compliance Department will endeavor to complete any investigation within 12 months of the time a potential Rule violation is suspected, unless there exists significant reason to extend the investigation beyond such period. Upon the conclusion of any investigation, the Compliance Department shall draft a report detailing the facts that led to the opening of the investigation, the facts that were found during the investigation, and the Compliance Department's analysis and conclusion. Such internal report shall be maintained in accordance with Rule 2.14.

The Chief Compliance Officer or an individual designated by the Chief Compliance Officer may be appointed to argue the matter on behalf of the Company.
 1. Members of the Disciplinary Panel shall be individuals that do not have a direct interest (financial, personal or otherwise) in the matter, but in no event may be members of the Compliance Department or any Persons involved in adjudicating any other stage of the same proceeding.
 2. In the event that members of the Disciplinary Panel do not satisfy the requirements of this Rule 9.3.A.1, then the Regulatory Oversight Committee may substitute a new member for the Disciplinary Panel or act as the Disciplinary Panel, to the extent that the substituted member or the Regulatory Oversight Committee, as the case may be, does not have a direct interest (financial, personal or otherwise) in the matter.
- B. Members of the Disciplinary Panel and the Compliance Department may not communicate regarding the merits of a matter brought before the Disciplinary Panel without informing the Respondent who is the subject of the communication of the substance of such communication and allowing the Respondent an opportunity to respond. Respondent's answer must contain a detailed response to the findings and conclusions as to each charge and any other information the Respondent believes is relevant.

- C. If the Respondent fails to answer a Notice of Charges, then such failure shall be deemed an admission to the findings in the Notice of Charges, and the Compliance Department's findings and conclusions shall become final and the Compliance Department shall impose the penalty (if any) that it proposes. The Compliance Department shall notify the Respondent of the imposition of any penalty by email sent to Respondent's last known email address.
- D. If the findings of the Compliance Department are contested, the Compliance Department's report and the Respondent's response will be submitted to a Disciplinary Panel.
- E. The Disciplinary Panel will conduct a fair hearing with the Compliance Department or other Company Representative and the Respondent within 15 calendar days of receipt of the Participant's answer to the Notice of Charges contesting such Notice of Charges, unless Respondent and the Compliance Department agree to an extension. Parties may attend virtually. The formal rules of evidence shall not apply, but the hearing procedures must not deny a fair hearing.
 - 1. The hearing shall be recorded, and all information submitted by the parties and the recording of the hearing shall be preserved by the Compliance Department, along with the Disciplinary Panel's findings, as the record of the proceedings (the "hearing record") in accordance with Rule 2.14.

2. The hearing record shall be transcribed if requested by the Commission or Respondent, if the decision is appealed pursuant to these Rules, or if the Commission reviews the decision pursuant to Section 8c of the CEA or Part 9 of CFTC Regulations.
- F. Prior to the Disciplinary Panel's hearing, the parties may (but need not) submit proposed findings, briefs, and exhibits (including affidavits), and during the hearing the parties may present witnesses. The Respondent is entitled to cross-examine witnesses. Persons within the Company's jurisdiction who are called as witnesses must participate in the hearing and produce evidence within the rules set forth in paragraph B of this Rule. The Compliance Department shall use reasonable efforts to secure the presence of all other witnesses whose testimony would be relevant.
- G. Within 14 business days after the Disciplinary Panel's hearing, the Disciplinary Panel shall issue a decision, which shall be delivered to the Respondent by email to Respondent's last known email address. The findings of the Disciplinary Panel shall contain the following information:

 4. the effective date and duration of that penalty; and
 5. a statement that the Respondent has the right to appeal any adverse decision by the Disciplinary Panel to the Appeals Committee within 15 calendar days of receipt of the Disciplinary Panel's decision, and the email addresses to send notice of Respondent's decision to appeal.
- H. Either the Respondent or the Compliance Department may appeal the decision of the Disciplinary Panel within 15 calendar days by filing an appeal by email with the Appeals Committee and forwarding a copy to the other parties to the appeal. The Appeals Committee may review a decision on its own initiative. Any penalties shall be stayed pending appeal unless the Regulatory Oversight Committee determines that a stay pending appeal would likely be detrimental to the Company, other Participants, or the public, in which case the penalty shall apply during the appeal period. The Appeals Committee shall review the hearing record and any information submitted by the Compliance Department or the Company Representative and the Respondent on appeal and issue a decision, which shall be final on the date of such issuance. The Respondent shall be

notified of the Appeals Committee's decision by email and the Respondent's last known email address. The hearing record, any information submitted on appeal, and the Appeals Committee's decision shall be preserved as the record on appeal in accordance with Rule 2.14. The decision shall contain:

Rule 9.6 Settlements

- A. The Compliance Department may enter into settlements with any Respondent any time following the issuance of a Notice of Charges and prior to any final decision by the Appeals Committee. The Respondent may initiate a settlement offer. Any settlement offer shall be forwarded to the Disciplinary Panel with a recommendation by the Compliance Department that the proposed settlement be accepted, rejected, or modified. A settlement offer may be withdrawn at any time before it is accepted by the Disciplinary Panel.
- B. The Disciplinary Panel may accept or reject a proposed settlement, and the decision of the Disciplinary Panel shall be final and may not be appealed. In addition, the Disciplinary Panel may propose a modification to the proposed settlement for consideration by the Respondent and the Compliance Department.
- C. Any settlement under this Rule shall be in writing and shall state:
1. the Notice of Charges or a summary thereof;
 2. the Respondent's answer, if any, or a summary thereof;
 3. a summary of the investigation conducted;

4. findings and conclusions as to each charge, including each act the Respondent was found to have committed or omitted, be committing or omitting, or be about to commit or omit, and each of these Rules or Applicable Law that such act or practice violated, is violating, or is about to violate;
 5. any penalty imposed and the penalty's effective date; and
 6. where customer harm is found to exist, full customer restitution where it can be reasonably determined.
- D. Failed settlement negotiations, or withdrawn settlement offers, will not prejudice a Respondent or otherwise affect subsequent procedures in the Rule enforcement process.

Rule 9.7 Notice of Decision

- A. The Compliance Department shall provide to the NFA for inclusion in its Internet-accessible database of disciplinary matters within two Settlement Bank Business Days after a decision becomes final, notice of any decision providing that a Respondent is suspended, expelled, disciplined or denied access to the Company.

The Compliance Department shall make public notice of the Disciplinary Action when the Disciplinary Action becomes final by posting on its Website the information required by CFTC Regulation 9.11, for a period of five consecutive Settlement Bank Business Days in accordance with CFTC Regulation 9.13.

Rule 9.8 Penalties

- A. As a result of a Disciplinary Action or as part of a settlement, the Compliance Department may impose one or more of the following penalties, commensurate with the violation committed, in consideration with the Respondent's disciplinary history, and including full customer restitution where customer harm is found and where such restitution can be reasonably determined:
 1. a letter of warning, censure, or reprimand (although no more than one such letter may be issued to the same Person found to have committed the same Rule violation within a rolling 12-month period);
 2. a fine or penalty for each Rule or Applicable Law violation sufficient to deter recidivism plus the monetary value of any benefit received as a result of the violation or the cost of damages to the unoffending counterparty;
 3. suspension of Participant or a Member's Authorized User status or privileges for a specified period, including partial suspension of such

privileges (for example, suspension of Clearing Privileges in particular types of Contracts or of placement of certain types of orders); and

4. revocation of Participant or a Member's Authorized User status or privileges, including partial revocation of such privileges (for example, revocation of Clearing Privileges in particular types of Contracts).
- B. Penalties that the Company may be separate from any penalty that a Platform imposes.

Rule 9.9 Summary Suspension

- A. The Compliance Department may summarily suspend or restrict a Participant's or a Member's Authorized User's privileges if the Chief Compliance Officer believes suspension or restriction is necessary to protect the swaps, commodity futures or options markets, the Company, the public, or other Participants.
- B. The Compliance Department may deny or terminate or restrict the status of a Participant, and a Member's Authorized User if (i) such Person is unable to demonstrate its ability to satisfy the applicable criteria set forth in Chapter 3 of these Rules; (ii) such Person is unable to demonstrate its compliance with all other applicable Rules; (iii) such Person's inability to demonstrate compliance with such criteria or Rules would, in the Company's sole discretion, bring the Company into disrepute or cause the Company to fail to be in compliance with the CEA or CFTC Regulations or other laws and regulations; (iv) such Person or any of its Authorized Users, as applicable, has committed a violation of the Rules; or (v) other good cause is shown as the Company may reasonably determine in its discretion.
- C. Whenever practicable the Compliance Department shall notify the Participant or a Member's Authorized User whose privileges are to be summarily suspended by email at the Participant's or Member's Authorized User's last known email address before the action is taken. If prior notice is not practicable, the Participant or Member's Authorized User shall be served with notice at the earliest opportunity. This notice shall:
 1. state the action taken or to be taken;
 2. briefly state the reasons for the action;
 3. state the time and date when the action became or becomes effective and its duration; and
 4. state that any Person aggrieved by the action may petition the Commission for a stay of the effective date of the action pending a hearing pursuant to

Part 9 of CFTC Regulations, within ten calendar days of service.

- D. In the case of an Authorized User, notice will also be sent to the relevant Member, via email to the Member's last known email address.
- E. The Participant or Member's Authorized User whose privileges are to be summarily suspended shall be given an opportunity for appeal under the procedures outlined in Rule 9.5.

Rule 9.10 Reporting Violations to the Commission

- A. Whenever the Company suspends, expels, fines or otherwise disciplines or denies any Person access to the Company, the Company will make the disclosures required by CFTC Regulations. Without limiting the generality of the foregoing, upon rendering a final decision regarding a disciplinary or access denial action, the Company shall provide notice to the Commission in a form and manner specified by the Commission.
- B. The Company will submit to the Commission a schedule listing all those Company Rule violations which constitute disciplinary offenses as defined in paragraph (a)(6)(i) of CFTC Regulation 1.63 and, to the extent necessary to reflect revisions, will submit an amended schedule within thirty days of the end of each calendar year. The Company will maintain the schedule required by this section, and post the schedule on the Company's website.
- C. The Company will submit to the Commission within thirty days of the end of each calendar year a certified list of any Participants or Persons who have been removed from any Disciplinary Panel, the Board or any Company committee pursuant to these Rules or Applicable Law during the prior year.
- D. Whenever the Company finds by final decision that a Participant or Person has violated a Rule or otherwise committed a disciplinary offense and such finding makes such person ineligible to serve on the Company's Disciplinary Panels, Company committees, or the Board, the Company shall inform the Commission of such finding and the length of the ineligibility in a notice it is required to provide to the Commission pursuant to either CEA Section 17(h)(1) or CFTC Regulation 9.11.

Rule 9.11 Coordination with Platforms

The Compliance Department may coordinate rule surveillance and enforcement with Platforms as the Chief Compliance Officer deems appropriate. This includes sharing information, except where prohibited, and analyses. This applies for the Company's rules, and for a Platform's rules.

Rule 9.12 Disciplinary Offenses

Notices of disciplinary decisions sent to Participants and a Member's Authorized Users under this Chapter will include whether the violation is considered a disciplinary offense within the meaning of Chapter 2. This will enable any person who has been found to have committed a rule violation to know whether the person is now disqualified from Company committee service and the duration of any such disqualification.

Rule 9.13 Reporting Offenses to the CFTC

Disciplinary offenses will be reported to the CFTC and/or its designee(s).

CHAPTER 10 Arbitration

Rule 10.1 In General

- A. Any Claim by a Participant against another Participant (including any related counterclaims) shall be settled by arbitration in accordance with this Chapter 10.
- B. Notwithstanding paragraph B, the arbitration panel, in its sole and absolute discretion, may decline to take jurisdiction of, or, having taken jurisdiction may at any time decline to proceed further with, any Claim or any other dispute, controversy or counterclaim, other than such as may be asserted under paragraph A.
- C. A Claim brought pursuant to this Rule 10.1 shall be adjudicated by qualified arbitrators appointed in accordance with Rule 10.5 below.
- D. Persons to a dispute resolved in accordance with this Chapter 10 shall have the right to retain and be represented by legal counsel or any other representation of its choosing, except any Director or a member of the Disciplinary Panel or person substantially related to the underlying investigations, such as material witnesses or respondents during such proceedings. Persons to a dispute resolved in accordance with this Chapter 10 shall be responsible for their own costs, expenses and attorneys' fees incurred in connection with the dispute. Notwithstanding the foregoing, the Person that prevails shall be entitled to recover from the other party all reasonable costs, expenses and attorneys' fees incurred in any arbitration arising out of or relating to this Chapter 10, and in any legal action or administrative proceeding to enforce any arbitration award or relief.
- E. Any award or relief granted by the arbitrators hereunder shall be final and binding on the parties hereto and may be enforced by any court of competent jurisdiction.

 - 2. such Persons have, by valid and binding agreement, committed to arbitrate or litigate in a forum other than the Company.
- G. For purposes of this Chapter 10, the term "Claim" means any dispute which arises out of any Transaction, which dispute does not require for adjudication the presence of essential witnesses or third parties over whom the Company does not have jurisdiction or who are otherwise not available. The term "Claim" does not

include disputes arising from underlying commodity transactions which are not a part of, or directly connected with, any Transaction.

Rule 10.2 Fair and Equitable Arbitration Procedures

Within 20 days following the delivery of the Notice, each respondent shall file a written response (a “Response”) with the Company, with a copy to the claimant, setting forth its or his position and any counterclaims, as applicable. If the Response sets forth one or more counterclaims, the claimant shall file within 20 days a written reply to such counterclaims with the Company, with a copy to the claimant.
- E. Once each party has had an opportunity to respond to the Claim and all counterclaims, the arbitration panel shall promptly schedule a hearing. Notwithstanding, Claims requesting relief totaling less than \$5,000 in the aggregate may, in the interests of efficiency and economy, be resolved without hearing.
- F. The chairman of the arbitration panel shall preside over the hearing and shall make such determinations on the relevancy and procedure as will promote a fair and expeditious adjudication.
- G. The arbitration panel shall consider all relevant, probative testimony and documents submitted by the parties. The arbitration panel shall not be bound by the formal rules of evidence.
- H. The final decision of the panel shall be by majority vote of the arbitrators, as applicable.
- I. Within 60 days after the termination of the hearing, the arbitration panel shall render its final decision in writing and deliver a copy thereof either in person or

by first-class mail to each of the parties. The arbitration panel may grant any remedy or relief which it deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee.

- J. The final decision of the arbitration panel shall not be subject to appeal within the Company.
- K. No verbatim record shall be made of the proceedings, unless requested by a party who shall bear the cost of such record.

Rule 10.3 Withdrawal of Arbitration Claim

Any Notice may be withdrawn at any time before the Response is filed in accordance with this Chapter 10. If a Response has been filed, any withdrawal shall require consent of the party against which the Claim is asserted.

Rule 10.4 Penalties

- A. Any failure on the part of a Person to arbitrate a dispute subject to this Chapter 10, or the commencement by any such Person of a suit in any court prior to arbitrating a case that is required to be arbitrated pursuant to this Chapter 10, violates these Rules and shall subject such Person to disciplinary proceedings pursuant to Chapter 9.
- B. A failure to timely satisfy an arbitration award rendered in any arbitration pursuant to this Chapter is a violation of these Rules, and may result in disciplinary action.

Rule 10.5 Arbitration Panel

- A. On an as-needed basis, the Company shall convene an arbitration panel to adjudicate an arbitration claim under this Chapter 10. For a Claim requesting relief totaling less than \$25,000 in the aggregate, the arbitration panel shall consist of one individual.  3. Company employees are prohibited from disclosing to any other person any material, non-public information which such employee obtains as a result of his or her employment at the Company where such employee has or should have a reasonable expectation that the information disclosed may assist another person in trading any commodity interest. This rule does not prohibit disclosures made in the course of an employee's duties, or disclosures made to another self-regulatory organization, linked exchange, court of competent jurisdiction or representative of any agency or department of the federal or state government acting in his or her official capacity.
 4. Exceptions to trading prohibitions-

 - ii. Contractors that provide services for the Company that have no connection to the Company's Clearing Services and do not have access to any Material Information are excepted from trading prohibitions.  - iii. The Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may grant exceptions to the trading prohibitions in this Rule, if the Chief Compliance Officer determines that the exemption would not be contrary to the purposes of the Act, CFTC Regulations, the public interest, and just and equitable principles of trade.

B. Prohibited Conduct - Employees, Directors, and Consultants

C. As used in this Rule, the following terms have the following meanings:

1. **Commodity interest** means any commodity futures, commodity option or swap contract traded on or subject to the rules of a contract market, a swap execution facility or linked exchange, or cleared by a derivatives clearing organization, or cash commodities traded on or subject to the rules of a board of trade which has been designated as a contract market.

- A. Each Participant on behalf of itself and each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing, hereby acknowledges and agrees that the Company owns and shall retain all right, title and interest in and to the Company, all components thereof, including, without limitation, all related applications, all application programming interfaces, user interface designs, software and source code and any and all intellectual property rights therein, including, without limitation, all registered or unregistered, as applicable, (a) copyright, (b) trademark, (c) service mark, (d) trade secret, (e) trade name, (f) data or database rights, (g) design rights, (h) moral rights, (i) inventions, whether or not capable of protection by patent or registration, (j) rights in commercial information or technical information, including know-how, research and development data and manufacturing methods, (k) patent, and (l) other intellectual property and ownership rights, including applications for the grant of any of the same, in or to the Company and all other related proprietary rights of the Company and/or any of its Affiliates (together, with any and all enhancements, corrections, bug fixes, updates and other modifications to any of the foregoing and any and all data or information of any kind, other than Proprietary Data and Personal Information, transmitted by means of any of the foregoing, including, without limitation, market data, the “Proprietary Information”). Each Participant on behalf of itself and each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing, further acknowledges and agrees that the Proprietary Information is the exclusive, valuable and confidential property of Company. Each Participant acknowledges and agrees that it shall not and shall not permit its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing to reverse engineer, copy, bug fix, correct, update, transfer, reproduce, republish, broadcast, create derivative works based on or otherwise modify, in any manner, all or any part of the Company or the Proprietary Information. Each Participant further agrees to and to cause each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing to keep the Proprietary Information confidential and not to transfer, rent, lease, copy, loan, sell or distribute, directly or indirectly, all or any portion of the Company or any Proprietary Information.
- B. Subject to the provisions of this Rule, each Participant on behalf of itself and each of its Affiliates, Authorized Users, and other Persons affiliated with any of the foregoing hereby acknowledges and agrees that the Company is the owner of all rights, title and interest in and to all intellectual property and other proprietary rights (including all copyright, patent, trademark or trade secret rights) in market data, and all derivative works based thereon, and further agree not to distribute, create derivative works based on, or otherwise use or commercially exploit market data and any such derivative works, provided that Participants, Affiliates, Authorized Users, and such other Persons may use market data for their own

internal business purposes. Without limiting the generality of the foregoing, Participants, Affiliates, Authorized Users, and other Persons affiliated with any of the foregoing may not distribute, sell or retransmit market data exchange to any third party.

- C. Notwithstanding any other provision of this Rule, each Participant and Authorized User retains such rights as it may enjoy under applicable law with respect to market data solely in the form such market data was submitted to the Company by such Participant or Authorized User.
- D. Transaction Data shall not be disclosed publicly other than on an aggregated or anonymous basis, or in a manner that does not directly or indirectly identify any market participant who has submitted such data.
- E. The Company shall not condition access to the Company upon a Participant's consent for the Company to the use of Proprietary Data and Personal Information for business or marketing purposes. Proprietary Data and Personal Information may not be used by the Company for business and marketing purposes unless the market participant has clearly consented to the use of Proprietary Data and Personal Information in such manner. The Company, where necessary, for regulatory purposes, may share Proprietary Data and Personal Information with one or more DCMs, SEFs, or other similar entities, or associations such as the Intermarket Surveillance Group. Further, nothing in this Rule shall preclude the Company from disclosing Proprietary Data and Personal Information: (1) as required by Applicable Law or legal process; (2) as the Company may deem necessary or appropriate in connection with any litigation affecting the Company; (3) to any Company Representative authorized to receive such information within the scope of his or her duties; (4) to a third party performing regulatory or operational services for the Company, provided that such party has executed a confidentiality and non-disclosure agreement in a form approved by the Company; (5) to a duly authorized representative of the CFTC lawfully requesting Proprietary Data and Personal Information; (6) in a manner in which a market participant consents to such disclosure; (7) pursuant to the terms of an information-sharing agreement; or (8) as permitted by CFTC Regulations.

Rule 11.3 Signatures

Rather than rely on an original signature, the Company may elect to rely on a signature that is transmitted, recorded or stored by any electronic, optical, or similar means (including but not limited to telecopy, imaging, photocopying, electronic mail, electronic data interchange, telegram, or telex) as if it were (and the signature shall be considered and have the same effect as) a valid and binding original.

Rule 11.4 Governing Law

The Rules, and the rights and Obligations of the Company and Participants under the Rules, shall be governed by, and construed in accordance with, the laws of the State of New York without regard to any provisions of New York law that would apply the substantive law of a different jurisdiction. The State of New York is the “securities intermediary’s jurisdiction” within the meaning of Section 8-110(e) of the UCC for all purposes of the UCC.

Any such action, suit or proceeding shall be brought in the State or Federal courts located within the City of New York, New York. In the event that a Participant or Authorized User or an Affiliate of such Person who fails to prevail in a lawsuit or other legal proceeding instituted by such Participant or such Affiliate against (i) the Company or (ii) any Affiliate of the Company or any of its respective officers, directors, equity holders, employees, agents, or any member of any committee, and related to the business of the Company, such Participant or Authorized User shall pay to the Company all reasonable costs and expenses, including attorneys’ fees, incurred by the Company in the defense of such proceeding. This Rule 11.7 shall not apply to Company disciplinary actions, appeals thereof, or an instance in which the Board has granted a waiver of the provisions hereof.

ANY PERSON ACCESSING THE COMPANY ACKNOWLEDGES THAT THE INTERNET, COMPUTER NETWORKS, AND COMMUNICATIONS LINKS AND DEVICES NECESSARY TO ENABLE A PERSON TO ACCESS AND USE THE PLATFORM AND THE WEBSITE ARE INHERENTLY INSECURE AND VULNERABLE TO ATTEMPTS AT UNAUTHORIZED ENTRY AND THAT NO FORM OF PROTECTION CAN ENSURE THAT A PARTICIPANT'S DATA, HARDWARE, OR SOFTWARE OR THE PLATFORM OR OTHER COMPANY PROPERTY WILL BE FULLY SECURE. FURTHERMORE, THE COMPANY SHALL HAVE NO OBLIGATION TO MONITOR OR VERIFY ANY INFORMATION DISPLAYED THROUGH THE PLATFORM OR THE WEBSITE.
- D. A PARTICIPANT THAT HAS COLLATERAL DEPOSITED FOR ITS BENEFIT WITH THE COMPANY PURSUANT TO THESE RULES SHALL HOLD THE
