Re: KalshiEX LLC – CFTC Regulation 40.6 Supplemental Notification Regarding the Amendment of the “Will <chamber of Congress> be controlled by <party> for <term>?” Contract

Dear Sir or Madam,

Pursuant to Section 5c(c) of the Commodity Exchange Act and Section 40.6 of the regulations of the Commodity Futures Trading Commission, KalshiEX LLC (Kalshi) notified the Commission that it is amending the “Will <chamber of Congress> be controlled by <party> for <term>?” contract (Contract) on October 11th.

This supplemental submission is a non-substantive filing and does not change the Amendment’s effective date, which is October 28th, 2024. Confidential Appendix J of the original submission notes the reason for the filing is to bring parity with other exchanges offering similar Contracts. Market participants expressed an interest in lower order sizes. The likely impact that this will have is increased participation in the market.

If you have any questions, please do not hesitate to contact me.

Sincerely,
