The Exchanges reviewed the DCO and DCM core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the expansion of the listing schedule of the Contracts may have some bearing on the following Core Principles:

**DCO**

- **Public Information:** CME will issue release a Special Executive Report (“SER”) to the marketplace regarding the Rule Amendments in advance of the effective date. The SER will also be posted on the CME Group website.

**DCM**

- **Availability of General Information:** The Exchanges will issue an SER to the marketplace regarding the Rule Amendments in advance of the effective date. The SER will also be posted on the CME Group website.
- **Daily Publication of Trading Information:** The Exchanges will continue to comply with this Core Principle by making public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contracts which will be published daily on the Exchanges’ website.
- **Compliance with Rules:** The Exchanges shall continue its normal practice to establish, monitor, and enforce compliance with the rules of the Contracts, including the expansion of the listing schedule of the Contracts.
- **Execution of Transactions:** The Exchanges will continue its current practice of providing a competitive, open, and efficient market mechanism for executing transactions in the Contracts, including the expansion of the listing schedule of the Contracts.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchanges hereby certify that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to the proposal.

The Exchanges certify that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
