Dear Sir or Madam:

The MIAX Futures Exchange, LLC ("MIAX Futures") has submitted to the Commission a Rule Certification Submission pursuant to CFTC Regulation 40.6(a) for modifications to the Hard Red Spring Wheat Futures Incentive Program (hereinafter referred to as the "Confidential Submission" or "Program"). This Confidential Submission included as Exhibit A contains confidential commercial or financial information. MIAX Futures respectfully requests that the Commission not release the Confidential Submission.

MIAX Futures specifically requests confidential treatment of the Confidential Submission pursuant to Commission Regulations 145.9 and 145.5. Under Commission Regulation 145.9, a submitter making this request "shall specify the grounds on which confidential treatment is being requested." Confidential treatment is being sought on the basis that the Confidential Submission contains confidential commercial or financial information under Commission Regulation 145.9(d)(1)(ii). In addition, MIAX Futures represents that the Confidential Submission is a nonpublic record pursuant to Commission Regulation 145.5.

In accordance with Commission Regulation 145.9(d)(5), MIAX Futures asks the Commission to afford confidential treatment to the Confidential Submission in perpetuity.

Should the Commission receive a Freedom of Information Request for the Confidential Submission, MIAX Futures acknowledges that it will be notified of the request and then instructed to provide a detailed written justification for confidential treatment, per Commission Regulation 145.9(e)(1).
