Re: FOIA Confidential Treatment Request:
Petition Pursuant to Regulation 145.9(d)

All:

Pursuant to § 145.9(d) of the regulations promulgated by the Commodity Futures Trading Commission (“Commission” or “CFTC”) under the Commodity Exchange Act (“CEA”) and pursuant to the Freedom of Information Act (“FOIA”), Cboe Clear U.S., LLC (“CCUS”) hereby petitions the Commission for confidential treatment of Exhibit A to the Self-Certification for CCUS’s Default Auction Liquidity Provider Program (CCUS-2024-13C), submitted to the CFTC via the CFTC Portal on December 6, 2024 (“Covered Information”).

The Covered Information should be afforded confidential treatment based on, among other things, § 145.9(d)(1)(ii) of the Commission’s regulations, which implements FOIA Exemption 4 of the Freedom of Information Act (5 U.S.C. § 552(b)(4)), because disclosure would reveal CCUS trade secrets and confidential commercial or financial information. CCUS hereby requests that the Covered Information be afforded confidential treatment in perpetuity.

CCUS requests that the Commission notify CCUS upon the receipt of any request by any party for any access under FOIA to the Covered Information or any court order, subpoena, or summons for disclosure of the Covered Information for the entire duration that the Commission retains the Covered Information. CCUS further requests notification in the event that the Commission intends to disclose the Covered Information in whole or in part to Congress or to any other governmental agency or unit pursuant to Section 8 of the CEA. CCUS does not waive its notification rights under Section 8(f) of the CEA with respect to any subpoena or summons for the Covered Information.

The address at which CCUS can be reached is as follows:

433 West Van Buren Street, Suite 700S
