**RE: Extension of the Japanese Power Fee Waiver Program  
NYMEX Submission No. 23-525**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to extend the Japanese Power Fee Waiver Program ("Program") through January 31, 2025. The extension of the Program will become effective on February 1, 2024. All other Program terms remain unchanged.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act"). During the review, NYMEX staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program is a general fee waiver that applies to all market participants. A general fee waiver does not incentivize manipulative trading or market abuse. The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor trading in the products that are included in the Program to prevent manipulative trading and market abuse. The general fee waiver in the Program does not impact the Exchange's order execution. All market participants that execute trades in the products shall be entitled to participate. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair, or abusive practices. The Program is subject to these rules and NYMEX records retention policies that comply with the CEA.

NYMEX certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
