Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly Notification of Rule Amendments

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), Nodal Exchange submits this weekly notification of non-substantive revisions made, during the week of January 3, 2022, to the Nodal Exchange Rulebook Appendix A (Contract Specifications). For 4 power futures contracts, Nodal Exchange is amending the contract series to “Current calendar year plus 12 full calendar years”.

The revisions to the PJM ATSI contracts went into effect on January 6, 2022. The revisions to the MISO AMIL.BGS6 contracts went into effect on January 11, 2022. These revisions have no effect on the economic characteristics of these contracts in accordance with CFTC Regulation 40.6(d)(i).

The Nodal Exchange Rulebook Appendix A contract specifications for the revised contracts are attached hereto with the corrections noted in red on each of the contracts.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9853 or markotic@nodalexchange.com.

Sincerely,

/s/ Max Markotic

Director of Compliance
