Earlier today, Wednesday, January 16, 2019, New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") delisted three (3) electricity futures contracts (the "Contracts") as set out in the table below:

Contract Title	Rulebook Chapter	CME Globex Code	CME ClearPort Code

The Contracts were currently listed for trading on CME Globex and for submission for clearing via CME ClearPort. The delisting of the Contracts is a result of the Exchange's prior announcement to delist previously listed contract months (see <u>SER 7179</u> dated December 22, 2014). The CFTC will be notified of the permanent delisting of the Contracts during the week of January 22, 2019, via the weekly notification procedures set forth in Part 40 of the CFTC Regulations.

As a result of the delisting, information regarding the Contracts has been deleted from the respective product chapter in the NYMEX Rulebook, related position limits in the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 ("Trading Qualifications and Practices") of the NYMEX Rulebook, the CME Globex non-reviewable trading ranges located in Rule 588.H. of the NYMEX Rulebook, and the list of block-eligible products located on the CME Group website.
