Re: CFTC Regulation 40.6(a) Certification. Notification Regarding the Delisting of the Daily European Allowance (EUA) Futures Contract. NYMEX Submission No. 19-090

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is self-certifying the delisting of the Daily European Allowance (EUA) Futures contract (the “Contract”) as noted in the table below, effective immediately. There is no open interest in the Contract.

Contract Title	CME Globex/ CME ClearPort Code	NYMEX Rulebook Chapter
Daily European Union Allowance (EUA) Futures	EUL/EUL	1260

As a result of the delisting, information regarding the Contract has been deleted from the respective product rule chapters; all other references to the Contract and terms and conditions contained in the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 (“Trading Qualifications and Practices”) of the NYMEX Rulebook were removed from the Exchange Rulebook and the CME Group website.

The Exchange reviewed the designated contracts market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the delisting may have some bearing on the following Core Principles:

- **Emergency Authority:** There is no open interest in the Contract, and therefore there will be no market disruption related to their delisting.
- **Availability of General Information:** The Exchange will make publicly available the details of the delisting of the Contract by publishing a Special Executive Report (“SER”) to the marketplace. The SER will be available on CME Group’s website.

Chapter 1260 Daily European Union Allowance (EUA) Futures

1260100. SCOPE OF CHAPTER

This chapter is limited in application to ~~Daily European Union Allowance (EUA) futures. The procedures for trading, clearing, delivery and settlement not specifically covered herein or in Chapter 7B shall be governed by the general rules of the Exchange.~~

~~The provisions of these rules shall apply to all European Union Allowances bought or sold for future delivery on the Exchange with delivery at the Registry (UK).~~

~~The terms "seller" and "buyer" shall mean the seller of the physical product and the buyer of the physical product, respectively. The seller's clearing member and buyer's clearing member may utilize a designee to perform their respective and necessary obligations with regard to transferring and accepting allowances at the Registry (UK).~~

~~In January 2005, the European Union Emissions Trading Scheme ("EU ETS") commenced operation as the largest multi-country, multi-sector Greenhouse Gas emission trading scheme world-wide. It covers over 11,500 energy-intensive installations across the EU which represents approximately half of Europe's emissions of CO₂. These installations include combustion plants, oil refineries, coke ovens, iron and steel plants, and factories making cement, glass, lime, brick, ceramics, pulp and paper. The scheme is based on Directive 2003/87/EC, which entered into force on 25 October 2003. The term "EUTL" shall mean the independent transaction log provided for in Article 20(1) of the Directive, the operation of which is further detailed in the Registries Regulation.~~

~~The term "ITL" shall mean the International Transaction Log. All transactions between registries are maintained by transaction logs which verify the validity of transactions.~~

~~The term "Community Independent Transaction Log" or "CITL" shall mean the predecessor log to the EUTL provided for in Article 20(1) of Directive 2003/87/EC, for the purpose of recording the issue, transfer and cancellation of EUAs under the EU ETS and established, operated and maintained pursuant to Article 5 of the Registry Regulations. The EU Commission established and is the Administrator of the CITL for transfers involving EU Member States. Transfers involving EU Entities entail an additional step from the ITL to the CITL under the Kyoto Protocol for transfers of EUAs between national registries.~~

~~The term "Communication Link" shall mean the electronic exchange of messages/notifications (1) by which a buyer and seller communicate with a Registry, and/or (2) by which a Registry communicates with CITL or EUTL, and/or (3) by which CITL or EUTL communicates with the ITL (where applicable), and/or (4) by which a Registry communicates with the ITL (where Applicable).~~

~~The term "Registry (UK)" shall mean the Registry under the jurisdiction of the United Kingdom (collectively being the holding accounts within the Union Registry that are under the jurisdiction of the United Kingdom).~~

~~The term "Registry" shall mean any registry in an EU Member State meeting the eligibility criteria and which has implemented the Linking Directive in a manner that authorizes private persons to hold EUAs and has Person Holding Accounts established in order to ensure the accurate accounting of the issue of holding, transfer, acquisition, surrender, cancellation, and replacement of EUAs under the EU ETS, and which has been identified as a Registry by the Clearing House from time to time for the purpose of this Futures Contract. For the avoidance of doubt, references to a Registry shall include (i) the Union Registry and (ii) collectively the holding accounts within the Union Registry that are under the jurisdiction of a single Member State. In the case of (ii), such holding accounts will together be deemed to be a Registry for that Member State.~~

The term "Registry Regulations" shall mean the EU Commission Regulation (EC) No 2216/2004 for a standardized and secured system of registries pursuant to Directive 2003/87/EC of the European Parliament and of the Council and Decision 280/2004/EC of the European Parliament and of the Council, as amended from time to time including by EU Commission Regulation (EC) No.916/2007.

The term "Union Registry" shall mean the Registry referred to as the "Community registry" in Article 19(1) of the Directive.

For purposes of these rules, unless otherwise specified, times referred to herein shall refer to and indicate the prevailing time in the United Kingdom.

1260101. CONTRACT SPECIFICATIONS

The contract specifications for delivery on futures contracts shall apply to all European Union Allowances with delivery at the Registry (UK).

The term "EUA" or European Union Allowance shall be granted under a National Allocation Plan of an EU member state.

1260102. TRADING SPECIFICATIONS

Trading in Daily European Union Allowance (EUA) futures is regularly conducted in all business days. The number of business days open for trading at a given time shall be determined by the Exchange.

1260102.A. Trading Schedule

The hours for trading shall be determined by the Exchange.

1260102.B. Trading Unit

The contract unit shall be one thousand (1,000) EUAs for a delivery made by transfer through the Registry (UK).

The minimum price fluctuation shall be €0.0025 per EUA (€ 2.50 per contract). Prices shall be quoted in Euros and Euro cents per EUA.

1260102.D. Position Limits, Exemptions, Position Accountability and Reportable Levels

The applicable position limits and/or accountability levels, in addition to the reportable levels, are set forth in the Position Limit, Position Accountability and Reportable Level Table in the Interpretations & Special Notices Section of Chapter 5.

A Person seeking an exemption from position limits for bona fide commercial purposes shall apply to the Market Regulation Department on forms provided by the Exchange, and the Market Regulation Department may grant qualified exemptions in its sole discretion.

Refer to Rule 559 for requirements concerning the aggregation of positions and allowable exemptions from the specified position limits.

1260102.E. Termination of Trading

No trades in Daily European Union Allowance (EUA) futures in the expiring contract day shall be made after 5:00 p.m. on the contract day for such expiring contract. Any contracts remaining open after the last trade date must be either:

(a) Settled by delivery which shall take place in accordance with Rule 1260105; or

(b) Liquidated by means of a bona fide Exchange for Related Position ("EFRP") pursuant to Exchange Rule 538. An EFRP is permitted in the expiring futures contract at any time before 6:00 p.m. on the last day of trading of the expiring futures contract. An EFRP which establishes a futures position for either the buyer or the seller in an expired futures contract shall not be permitted following the termination of trading of an expired futures contract.

1260103. DELIVERY

EUA delivery shall comply with all requirements for the electronic transfer of EUAs on the Registry (UK). Notwithstanding the use of a designee, all clearing members will remain ultimately responsible for performance of all applicable contract terms specific to the sellers' clearing members and buyers' clearing members.

1260104. DELIVERY PROCEDURES

The Exchange is a party to all deliveries under this contract and will receive EUAs from the seller's clearing member into the Clearing House Holding Account of the Registry (UK). Following receipt

The buyer's clearing member shall comply with such requirements and obligations imposed by or under applicable Registry Regulations in all respects material to ensure the acceptance of a valid transfer into its Holding Account. If a provision of the rules of this Chapter or the Exchange rules is inconsistent with a provision of the Registry Regulations, the provision of the rules of this Chapter and the Exchange rules shall prevail as between the buyer's clearing member, seller's clearing member, and the Exchange to the extent of such inconsistency and to the extent permitted by law.

By transferring EUAs to the Exchange, the seller's clearing member represents and warrants that, at the time of delivery, it has good and marketable title to such EUAs, and that such EUAs are free and clear of all liens, security interests, claims, encumbrances and adverse claims.
