Washington, DC 20581

**RE: CFTC Regulation 40.6(d) Notification. New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) Weekly Notification of Amendments Related to Product Terms and Conditions.
NYMEX Submission No. 16-097**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), the Exchange submits this weekly notification of the following amendments related to product terms and conditions made effective during the week of February 22, 2016.

Effective Sunday, February 21, 2016 for trade date Monday, February 22, 2016, the Exchange made non-substantive, administrative amendments to reduce the minimum price fluctuation of four (4) natural gas inter-commodity futures spreads for trading on CME Globex from \$0.001 to \$0.00025. These amendments do not have an impact on the minimum price fluctuation of the underlying outright natural gas futures products. The minimum price fluctuation for submission for clearing of these inter-commodity futures spreads through CME ClearPort remains unchanged. The marketplace was notified of these amendments via Special Executive Report (“SER”) #7583, which is attached under separate cover as Exhibit A.

If you require any additional information, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact the undersigned at (212) 299-2200.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
