**Re: CFTC Regulation 40.6(a) Certification: Notification of Delisting Six (6) Nodal Exchange NYISO Power Energy Futures Contracts**

Dear Mr. Kirkpatrick:

Nodal Exchange, LLC (“Nodal Exchange” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it has delisted six NYISO power futures contracts. Accordingly, the Exchange is self-certifying amendments to Appendix A (Contract Specifications) and Appendix C (Reporting Levels, Position Accountability Levels and Position Limits) of the Nodal Exchange Rulebook pursuant to Commission Regulation 40.6(a). The amendments to Appendices A and C are attached hereto, indicating the specific contracts that have been delisted by the Exchange. The delisting of these contracts is effective immediately.

The Exchange is delisting a total of six dormant contracts that are associated with NYISO as follows:

NYISO DUNKIRK 1\_Monthly Day Ahead Off-Peak Energy + Congestion  
NYISO DUNKIRK 1\_Monthly Day Ahead On-Peak Energy + Congestion  
NYISO FAR ROCKWAY 4\_Monthly Day Ahead Off-Peak Energy + Congestion  
NYISO FAR ROCKWAY 4\_Monthly Day Ahead On-Peak Energy + Congestion  
NYISO GLENWOOD 4\_Monthly Day Ahead Off-Peak Energy + Congestion  
NYISO GLENWOOD 4\_Monthly Day Ahead On-Peak Energy + Congestion

These six contracts represent generator nodes that have been retired by NYISO. There is no open interest on these contracts and have been dormant for several months.

Exchange management has assessed the amendments to Appendices A and C, and their compliance with applicable provisions of the Commodity Exchange Act (“Act”), including

the Commissions Regulations and the Core Principles. Nodal Exchange has identified that the delisting of the six dormant contracts indicated by amendments to Appendices A and C may affect the following Core Principles as follows:

Core Principle 6 – Emergency Authority: There is no open interest in these contracts, and therefore there will be no market disruption related to their delisting.

Core Principle 7 – Availability of General Information: The Exchange is posting on its website ([www.nodalexchange.com](http://www.nodalexchange.com)) the delisting of the contracts, including the contract specifications for the delisted contracts. Upon delisting, the terms and conditions of these contracts will no longer be available on the Nodal Exchange Rulebook Appendix A – Contract Specifications.

Pursuant to Section 5c(c) of the Act and the Commission’s Regulation 40.6, the Exchange certifies that the delisting of these contracts complies with the Act and the Commission’s Regulations thereunder. There have not been any opposing views expressed regarding these amendments.

Nodal Exchange certifies that this submission has been concurrently posted on the Nodal Exchange website at [www.nodalexchange.com](http://www.nodalexchange.com).
