Also at this time, the Exchange implemented non-substantive amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations & Special Notices Section of Chapter 5 of the CME Rulebook which were stylistic in nature.

It is important to note that the title changes and all related amendments are administrative in nature and will, **in no manner**, impact the structure of the contracts or related contracts.

The Commodity Futures Trading Commission (CFTC) will be notified of the product name change and related rule amendments during the week of February 9, 2015, via the weekly notification procedures set forth in Part 40 of the CFTC Regulations.

Exhibits 1-3 provide the amendments to CME Chapters 315, 315A, 316, 316A, 317 and 317A respectively in blackline format.
