Re: Temporary Suspension of Trading of Certain Oil Americas Futures Products - Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6(a)

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)1 of the Commodity Exchange Act, as amended (the “Act”) and Commodity Futures Trading Commission (“Commission”) Regulation 40.6(a), ICE Futures U.S., Inc. (“Exchange”) submits notice to the Commission that, effective as of the close of business today, April 27, 2020, the Exchange will suspend trading in all contract months including and after January 2021 of the Fuel Oil Diff - New York 3.0% Fuel Oil (Platts) vs USGC HSFO (Platts) Future (“14W”) and Fuel Oil Outright - New York 3.0% Fuel Oil (Platts) Future (“14X”), pending revisions to the New York Harbor “No. 6 3%S” assessment which underlies the futures contracts. The Exchange intends to relist the contract months with revised contract specifications consistent with the proposed assessment. In the interim, the Exchange will continue to publish an indicative settlement price for the suspended markets. All expirations up to January 2021 will remain available for trading. The contract months currently have no open interest.

The Exchange certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange’s website and may be accessed at (<https://www.theice.com/futures-us/regulation>).
