The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“Act” or “CEA”) and identified that the expansion of the listing schedule may have some bearing on the following Core Principles:

- Daily Publication of Trading Information: NYMEX will continue to comply with this Core Principle by making public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contract.
- Availability of General Information: Pursuant to the Exchange’s obligations under this Core Principle, NYMEX will issue a Special Executive Report (“SER”) to the marketplace regarding these amendments. The SER will be posted on the CME Group website.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6 (a), the Exchange hereby certifies that the expansion of the listing schedule of the Contract complies with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
