**Re: CFTC Regulation 40.6(a) Certification. Notification Regarding the Second Extension of the Temporary Suspension of Trading and Clearing of Three (3) EUA Futures and Option Contracts.
NYMEX Submission No. 19-227**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is self-certifying the second extension of the suspension from listing of previously-listed contract months of three (3) European Union Allowances futures and option contracts (the “Contracts”) as noted in the table below effective until October 31, 2019.

Contract Title	CME Globex/ CME ClearPort Commodity Code	NYMEX Rulebook Chapter
In Delivery Month European Union Allowance (EUA) Futures	EAF/6T	1250
In Delivery Month European Union Allowance (EUA) Option	EAX/6U	1251
In Delivery Month European Union Allowance (EUA) Serial Option	9G/9G	1252

On February 8, 2019, the Exchange self-certified the temporary suspension of trading and listing of new contract months of the Contracts until April 30, 2019 (see NYMEX Submission No. 19-089). On April 11, 2019, the Exchange self-certified an extension to the temporary suspension of trading and listing of new contract months of the Contracts until June 28, 2019, which became effective on Friday, April 26, 2019 (see NYMEX Submission No. 19-153). As previously advised, the Contracts make use of a UK registered entity for physical delivery of the underlying commodity. In light of the continuing Brexit negotiations and related uncertainty in connection with memberships of the UK in the European Union Emissions Trading System (“EU ETS”), the Exchange is taking this additional action in an effort to maintain an orderly market.

This submission shall become effective on trade date Friday, June 28, 2019.

The Exchange reviewed the designated contracts market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the suspension may have some bearing on the following Core Principles:

- **Emergency Authority:** There is no open interest in the Contracts, and therefore there will be no market disruption related to the temporary suspension.

- **Availability of General Information:** The Exchange will make publicly available the details of the temporary suspension of the Contracts by publishing a Special Executive Report (“SER”) to the marketplace. The SER will be available on CME Group’s website. Following the period of suspension, the Exchange will continue to publish on its website information regarding the Contract’s specifications, terms, and conditions, as well as daily trading volume, open interest, and price information.
- **Prevention of Market Disruption:** Following the period of suspension, trading in the Contracts will continue to be subject to the rules of the Exchange, which include prohibitions on manipulation, price distortion, and disruption to the cash settlement process.

Pursuant to Section 5c(c) of the Act and CFTC Regulations 40.6(a), the Exchange hereby certifies that extension of the temporary suspension of trading and clearing of the Contracts complies with the Act, including regulations under the Act. There were no substantive opposing views to the proposal.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
