**Re: CFTC Regulation 40.6(a) Certification. Notification Regarding Amendments to the Special Price Fluctuation Limits and Daily Price Limits Table for the Brent Last Day Financial Futures Contract.
NYMEX Submission No. 18-248**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is self-certifying amendments to NYMEX Rule 589. (“Special Price Fluctuation Limits and Daily Price Limits”) table (the “Table”) for the Brent Last Day Financial Futures contract (the “Contract”) listed in Table 1. below (the “Rule Amendments”) effective Sunday, July 15, 2018 for trade date Monday, July 16, 2018.

The Global Command Center (“GCC”) of CME Group implemented a procedure to monitor circuit breaker levels to maintain a consistent level of circuit breakers as a percentage of the product’s value. The target was set at approximately 10% for energy products.

Recent price movements in the Contract has indicated that modifying the current circuit breaker levels is appropriate in order to facilitate an orderly market.

Brent Last Day Financial Futures	BZ	698

The Rule Amendments to the Table are provided in blackline format as Exhibit A.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA”) and staff identified that the rule amendments may have some bearing on the following Core Principles:

- **Prevention of Market Disruption**: The Rule Amendments reflect the Exchange efforts to more effectively protect the market from large price fluctuations of the Contracts. The Exchange believes that the amendments are consistent with this Core Principle requiring the Exchange to maintain and promote an orderly market.
- **Availability of General Information**: The Exchange will amend the NYMEX rulebook accordingly on the effective date which is publicly available on the CME Group website. In addition, the Exchange will publish industry notifications to advise the marketplace of these amendments. The industry notifications will also be posted on the CME Group website.

- **Execution of Transactions**: The Rule Amendments will further enable the Exchange to continue its current practice of providing a competitive, open, and efficient market mechanism for executing transactions.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the Rule Amendments comply with the Act, including all regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
