**Re: Commission Regulation 40.2(a) – Certification of Day-Ahead USD/ETH Deci Swaps
LedgerX LLC Submission No. 21-18**

Dear Mr. Kirkpatrick:

LedgerX LLC (“LedgerX”) hereby notifies the Commodity Futures Trading Commission (the “Commission”), pursuant to Commission Regulation 40.2(a), that it is certifying the attached amendment to the contract specifications for Day-Ahead USDETH Deci Swaps (the “Company Contract”) for trading on LedgerX’s designated contract market (“DCM”) and swap execution facility (“SEF”).¹

This certification includes the following:

- The submission cover sheet, which shall be generated through the Commission’s submission portal at the time of filing.
- A concise explanation and analysis of the Company Contract, attached as Exhibit A.
- A redline reflecting the changes to the Company Contract’s rules, which previously were certified on March 9, 2021 for the DCM, attached as Exhibit B;
- A final version of the Company Contract’s rules, which will be published as contract specifications for both the SEF and DCM on LedgerX’s website, attached as Exhibit C.
- A concise explanation and analysis of the Company Contract’s compliance with applicable provisions of the Commodity Exchange Act (the “CEA”), including the Core Principles, and the Commission’s Regulations thereunder, attached as Exhibit D.
- A deliverable supply analysis, attached as Exhibit E.

¹ LedgerX previously self-certified substantively the same contract on March 9, 2021 for trading through LedgerX’s Designated Contract Market (“DCM”).

LedgerX certifies that the Company Contract complies with the CEA and Commission Regulations thereunder. LedgerX additionally certifies that it has concurrently posted a copy of this submission letter and the attachments hereto on LedgerX's website at <https://ledgerx.com/>.
