RE: Weekly Notification of Rule Amendments: Nadex Amends Strike Interval Width for its US SmallCap 2000 Intraday 20-Minute Binary Contract - Submission Pursuant to Commission Reg. §40.6(d)

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (“Act”), and section §40.6(d) of the regulations promulgated by the Commodity Futures Trading Commission (the “Commission”) under the Act (the “Regulations”), and by the authority granted in Nadex Rule 12, North American Derivatives Exchange, Inc. (“Nadex”, the “Exchange”) hereby provides notice that beginning on trade date August 21 through September 1, 2017 the interval strike width for the US SmallCap 2000 Intraday 20-Minute Binary contracts expiring between 11:40am and 2:20pm ET has been amended from 0.5 to 0.6 in order to avoid a potential duplicate strike price listing with an Intraday 2-Hour contract in the same class with the same expiration. Nadex has submitted a self-certification submission pursuant to section §40.6(a) in order to make the change permanent in its Rulebook, which will become effective on September 5, 2017 barring any objection by the Commission.

Nadex hereby certifies that the additions and amendments contained herein comply with the Act, as amended, and the Commission Regulations adopted thereunder. No substantive opposing views were expressed to Nadex with respect to these additions. Nadex hereby certifies that notice of these events was posted on its website at the time of this filing.

Should you have any questions regarding the above, please do not hesitate to contact me by telephone at (312) 884-0927 or by email at jaime.walsh@nadex.com.

Sincerely,

Jaime M. Walsh
Legal Counsel
