**RE: CFTC Regulation 40.6(d) Notification. New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) Weekly Notification of Amendments Related to Product Terms and Conditions.
NYMEX Submission No. 18-430**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), the Exchange submits this weekly notification of the following amendments related to product terms and conditions made effective during the week of October 1, 2018.

On Friday, October 5, 2018, the Exchange implemented non-substantive, administrative amendments to the Position Limit, Position Accountability and Reportable Level Table and Header Notes located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook (the “Table”). Pursuant to NYMEX Submission 18-275R dated July 24, 2018, NYMEX listed for trading and clearing twelve (12) new crude oil spread futures contracts. At that time, a typographical error was made in the Table provided in Exhibit B of that Submission. The Exchange’s long-standing Brent Crude Oil Penultimate Financial Futures Contract (“BB”) contract has a position limit of 4,000. However, Exhibit B of NYMEX 18-275R erroneously noted that position limit as 5,000 contracts, instead of 4,000 contracts for the following new contracts that aggregate into BB: Mars (Argus) vs. Brent Calendar Month Futures (“MAB”), Mars (Argus) vs. Brent Trade Month Futures (“MBM”), and WTI Houston (Argus) vs. Brent Calendar Month Futures Contract (“WBR”). A copy of the amended Table is attached under separate cover, in blackline format, as Exhibit A.

If you require any additional information, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
