**RE: Notice of Revision of ELX Rules: IX-1200, IX-1300, IX-1500, IX-1600, IX-1700  
and IX-1800 (“CDS Rules”)**

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commodity Futures Trading Commission (“Commission”) Regulation 40.2, ELX Futures, L.P. (“ELX”) hereby notifies the Commission of ELX’s certification that ELX will revise the above referenced CDS Rules effective September 22<sup>nd</sup>, 2014 as follows:

Subpart (b), sub-section (v) of each of the CDS Rules delineating the definition of Credit Event will be revised to delete the reference to “2009 ISDA definition” and replace this reference in lieu thereof with “2014 ISDA definition.” *Mutatis mutandis*.

For the purposes of clarification, the phrase “that underlies the CDS” shall be deemed stricken in subpart (b), sub-section (iii) of each of the CDS Rules. *Mutatis mutandis*.

Also for purposes of clarification, with respect to ELX Rules IX-1200 and IX-1300, the reference to “or London or Target (EUR)” at the end of subpart (b), sub-section (iv) shall be deemed stricken. *Mutatis mutandis*.

With respect to ELX Rules IX-1500 and IX-1600, *Position Accountability* in subpart (i) shall be deemed denominated in EUR as opposed to USD. *Mutatis mutandis*.

For ease of reference, a black-lined copy of the revised CDS Rules is attached hereto as Appendix A.

*Explanation and analysis of the Contracts' Compliance with Applicable Core Principles and Commission Regulations.* ELX has reviewed the designated contract market core principles as set forth in the Commodity Exchange Act and has determined that the revision of the CDS Rules complies with the relevant provisions thereof. The revision of the CDS Rules respecting the definition of Credit Event is duly required pursuant to the 2014 ISDA Credit Derivatives Definitions coming into effect this September 22, 2014.

ELX Futures has received no opposing views regarding this revision of CDS Rules.

ELX hereby certifies to the CFTC, that the CDS Rules as revised comply with the Commodity Exchange Act, as amended, and the regulations promulgated thereunder and that a notice of the filing of this submission and a public copy of this submission has been posted on ELX's website.

Finally, please note that ELX made a submission under Commission Rule 38.8 with its first certification of a swap contract on September 30, 2013.

If you have any questions on this matter, please call me at (212) 829-5241.

Sincerely,

Manavinder S. Bains  
Counsel & Chief Regulatory Officer
