**Re: Amendments to Rule 8.01 – Definition of Port of Virginia
Submission Pursuant to Commission Regulation 40.6(a)**

Dear Ms. Jurgens:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) submits, by written certification, an amendment to Exchange Rule 8.01, as set forth in Exhibit A. The amendment, which will become effective on August 21, 2014, revises the geographic location of the Port of Virginia (“Port”) as a delivery point for the Coffee “C” futures contract.

The Exchange recently amended the contract specifications for the Coffee “C” futures contract to add the Port as a delivery point beginning with the September 2016 expiration (see ICE Futures U.S. Submission No. 14-67). The geographic definition of the Port currently set forth in rule 8.01 does not capture the locations of the commercial coffee warehouses in the area. The amendment to Rule 8.01 simply corrects the geographic definition to capture the locations of these commercial warehouses.

The Exchange certifies that the amendment to Rule 8.01 complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. No substantive opposing views were expressed by members or others with respect to these rules. The Exchange further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange’s website at (<https://www.theice.com/notices/RegulatoryFilings.shtml>).
