RE: Weekly Notification of Rule Amendments: Nadex Adds Discretionary Strikes on October 18, 2016 - Submission Pursuant to Commission Reg. §40.6(d)

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (“Act”), and section §40.6(d) of the regulations promulgated by the Commodity Futures Trading Commission (the “Commission”) under the Act (the “Regulations”), and by the authority granted in Nadex Rule 12.63, North American Derivatives Exchange, Inc. (“Nadex”, the “Exchange”) hereby provides notice that due to volatility in the underlying markets upon which the Nadex contracts are based, Nadex added strike levels on a discretionary basis in its Daily US Tech 100 Binary contracts on October 18, 2016. Nadex returned to its regular listing for these contracts on October 19, 2016. The specific added discretionary strike levels are attached in Exhibit A.

Nadex hereby certifies that the additions and amendments contained herein comply with the Act, as amended, and the Commission Regulations adopted thereunder. No substantive opposing views were expressed to Nadex with respect to these additions. Nadex hereby certifies that notice of these events was posted on its website at the time of this filing.

Should you have any questions regarding the above, please do not hesitate to contact me by telephone at (312) 884-0927 or by email at jaime.walsh@nadex.com.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jaime Walsh'.
